**Re: Expedited Review Project #16-020 and #16-022**

Dear Mr. Shazzad:

We are in receipt of your request for an expedited hearing for above identified projects. The two projects are considered **substantive projects** and the Board Staff by Statute and rule is allowed 120 days for review from the date of determination of completeness of the application. This is the first time we have received a project from the applicants identified in the applications for permit. With all first time submittals it will take additional time to review the application material for these two projects. For that reason your project is scheduled for the October 25, 2016 State Board Meeting.

Should you have any questions or concerns please contact Mike Constantino or George Roate at [Mike.Constantino@illinois.gov](mailto:Mike.Constantino@illinois.gov) or [George.Roate@illinois.gov](mailto:George.Roate@illinois.gov) or 217.782.3516.

Sincerely,

A handwritten signature in black ink that reads "Mike Constantino".
