Dear Sir

Dr Dadhis

Wants to open a  
Clinic, which will be close  
to me,

Please let him open  
this clinic it will give a lot  
of us a close place to go to  
we will get there in ten minute  
if he open this place.

Thank you Mary

It would be great to have a  
Fresenius Clinic closer to my home.  
It would help with transportation  
purposes and cut down on my travel  
time.

Thank You,  
Michael Golov

Dear,

Illinois Health Facilities and

Services review Board, I'am writing this letter to see if we can help the decision to build a Dialysis Clinic much closer to home. which can help many of us who live in the East Side of Aurora get their faster. NOT only can we get their faster we won't have to struggle to find a ride to and from the Clinic. It can help save us money by walking or even taking the bus to the Clinic, which is more efficient than paying a ride 3 times a week. It will also help us get our treatment faster more efficient and cleaner so the staff won't be in such a rush trying to keep up with schual which can provide us with a cleaner and safer environment. It will also help the city by creating more jobs and open the environment to other facilities to come and join us and make Aurora good again.

Sincerely GERARDO RAMOS

To whom it may concern:

I Bertha Montoya, am a dialysis patient at  
Aurora Dialysis on Mercy Lane, in Aurora, Illinois.  
I would be very happy if you opened a facility  
on Farnsworth, it would be closer to my home.

Thank you,  
Bertha Montoya

The purpose of this letter is to stress my strong desire to have a new dialysis center built at 810 No. Farnsworth Avenue in Aurora, IL. The new center would be closer to my home and would allow for a shorter commute and be more convenient.

Thank you for your consideration of my request to have a new dialysis center built at 810 No. Farnsworth Avenue in Aurora, IL.

I would greatly appreciate a new dialysis center on Indian Trail and Farnsworth. It will be really convenient for me because it is closer to my home and work. It could save me time and cut down on stress from the rush hour traffic. Please consider the new Facility.

Thank you,

Paul Bernd

I, Ramon Ruiz, am writing this letter to show my support for the new clinic being purchased. I would love having this clinic closer to home because it would help me transportation wise in not having to drive as far from home as I would normally drive in all weather conditions

To: Illinois Health Facilities  
and Services Review Board:

This letter is to inform that I  
will like to be transfer as a patient  
to the new facility of tressenius.

This new facility will be at  
Farnsworth Ave in Aurora, Ill. It  
will be very close to me, traveling  
time. As long as I remain with  
my super Dr. Dondia, it will be ok.

Hoping that the services will  
be as good or better than the one  
I am receiving now.

Thank you very much.

Sincerely,
