Re: 16-030 / John H. Stroger Medical Office Building

Dear Ms. Avery:

This is our first annual report regarding the above referenced project, approved by the Board on September 13, 2016. Currently the Basement is complete and structural steel is topped out. Current activity includes installing the under slab for the MEP work for the Dental Wing on Level 1, north side preparation for utility removal, hanging ductwork/framing walls for Levels 2 & 3 and north side parking lot work. The project is approximately 20% complete and the funds expended to date include \$24,953,134. The project has been obligated through execution of construction contracts.

Thank you.

Sincerely,

Clare E. Connor
