HEALTH FACILITIES &
SERVICES REVIEW BOARD

February 9, 2017

Ms. Kathryn J. Olson
Chair
Illinois Health Facilities and Services Review Board
525 West Jefferson Street, 2nd Floor
Springfield, IL 62761

Please accept this letter as my support for DaVita, Inc. and their application for its Foxpoint Dialysis project. Foxpoint Dialysis will be a 12 station dialysis facility to be located at 1300 Schaefer Road, Granite City, Illinois.

The metro east area is currently experiencing an excessive increase in the incidence and prevalence of kidney disease. Through research, Davita, Inc. has found that the number of patients with kidney failure and on dialysis in the metro east has increased 7% annually in each of the past three years. Through the establishment of Foxpoint Dialysis, DaVita seeks to improve the health of residents in Granite City and the great metro east area.

Please contact my office if there is anything I can further assist with in regard to this project. Thank you for considering DaVita, Inc. and their application to establish Foxpoint Dialysis.

Sincerely,

A handwritten signature in cursive script that reads "Dan Beiser".

Dan Beiser
State Representative
