RE: Permit Alteration: Project #16-042, Fresenius Kidney Care Paris Community, Paris  
Permit Holder: Fresenius Kidney Care Paris, LLC

Dear Ms Wright:

On October 12, 2017, the Illinois Health Facilities and Services Review Board/Chairman approved the alteration requested for the above-captioned project. The alteration approved was for the following:

Alteration to Increase GSF from 5,000 to 5,245 GSF and increase costs from \$2,603,250 to \$2,707,415.

The permit holder is reminded that for the final realized cost report, any amount that exceeds the altered permit amount will be considered a cost overrun without a permit and invalidate the permit.

The permit holder should note the post-permit requirements contained in "Subpart G" of 77 IAC 1130. Adherence to the post-permit requirements is essential in maintaining a valid permit and is the responsibility of the permit holder.

Should you have any questions please contact Mike Constantino or George Roate at (217) 782-3516.

Sincerely,

A handwritten signature in blue ink that reads "Kathy Olson".

Illinois Health Facilities and Services Review Board
