RE: Permit#16-042-Fresenius Kidney Care Paris Community; Permit Holder: Fresenius Medical Care Holdings, Inc., Fresenius Kidney Care Paris, LLC d/b/a Fresenius Kidney Care Paris Community

Dear Ms. Wright:

On September 30, 2020, you informed the State Board that Fresenius Medical Care Holdings, Inc. was unable to financially commit the above-referenced project. You stated when the project was financially committed you mistakenly believed the project was obligated upon execution of the lease. You stated you did not consider the lease's duration when the financial commitment was reported to the Board. You stated the lease was for one-year expiring September 30, 2020. Subsequently the one-year lease for the space at the hospital was not renewed. Therefore, as of date of this letter Permit #16-042 is considered expired and the project abandoned. Please note: A permit holder who fails to meet the financial commitment requirements shall be subject to fines under the Act and Section 1130.790.

Should you have any questions or concerns please contact Mike Constantino or George Roate of my staff at Mike.Constantino@illinois.gov or George.Roate@illinois.gov or 217.782.3516.

Sincerely,

A handwritten signature in blue ink that reads "Courtney Avery".
