RE: Permit Alteration: Project #16-044 – Lurie's Children Outpatient Services and  
Surgical Services, Northbrook, Illinois  
Permit Holder: Ann & Robert H. Lurie Children's Hospital of Chicago  
Children's Hospital of Chicago Medical Center

Dear Ms. Atwood:

On June 28, 2018 the Chairman of the Illinois Health Facilities and Services Review Board (State Board) approved the alteration requested for the above-captioned project. The alteration approved was for the following:

Increase the permit amount by \$500,000 from \$35,555,707 to \$36,055,707 or 1.40% and change the financing of the project by eliminating the mortgage/bond financing of \$15,838,657. The project will be funded with cash in the amount of \$20,456,708 and the FMV of leased space of \$15,599,000.

The permit holder is reminded that for the final realized cost report, any amount that exceeds the altered permit amount will be considered a cost overrun without a permit.

The permit holder should note the post-permit requirements contained in "Subpart G" of 77 ILAC 1130. Adherence to the post-permit requirements is essential in maintaining a valid permit and is the responsibility of the permit holder.

Should you have any questions please contact Mike Constantino of George Roate at (217) 782-3516 should you have any questions.

Sincerely,

A handwritten signature in blue ink that reads "Kathy Olson".

Kathy Olson, Board Chair  
Illinois Health Facilities and Services Review Board
