I am writing to show my support of Ferrell Hospital's efforts to modernize and expand the current facility. Ferrell Hospital has always placed a strong emphasis on being a quality health care provider servicing Eldorado and the surrounding communities. This project will allow Ferrell Hospital to meet the demands of the community.

Ferrell Hospital is a staple of Eldorado and surrounding communities. They strive to provide outstanding care to patients. I believe the renovations will enhance the already great quality of care provided at Ferrell Hospital, and will allow Ferrell Hospital to continue to provide accessible care to the members of our rural community.

I support Ferrell Hospital's efforts and plan to renovate and expand the current facility. Ferrell Hospital is an incredible asset for the residents of Saline County and this project will allow them to ensure continuing care for Saline County.

Sincerely,
