Dear Ms. Avery:

On May 2, 2017, the Health Facilities and Services Review Board approved the establishment of major modernization with new construction of the ICU units with an addition of 44 ICU beds and addition of 4 NICU beds, Project #16-050, at Ann & Robert H. Lurie Children's has signed a construction contract with M. A. Mortenson Company. The contract was executed on December 6, 2017, and the contract amount is \$30,647,904. Project scope, size, and cost are consistent with the permit approved on May 2, 2017.
