RE: Franciscan St. James Health-Chicago Heights, COE E-08-16
Franciscan St. James Health-Olympia Fields, CON 16-005

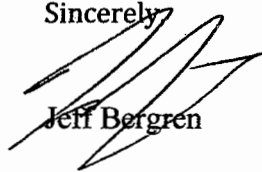

Dear Ms. Avery:

Please accept this letter as an indication of Synergy Healthcare's support for Franciscan St. James Health's plans to reorganize the manner in which it provides services in the Southland Region. Synergy has enjoyed a close working relationship with Franciscan St. James Health, and looks forward to that relationship continuing.

St James and Synergy work together to provide services supporting the behavioral health needs for the local communities that St James serves. Approval of the above referenced requests will not diminish these services but rather has the potential to further expand the behavioral health service offerings within the Southland community.

Thank you for the opportunity to provide this letter of support.

Sincerely,

Jeff Bergren

RE: Franciscan St. James Health-Chicago Heights
Franciscan St. James Health-Olympia Fields

Dear Ms. Avery:

This letter confirms the Archdiocese of Chicago's support for Franciscan Alliance, Inc.'s plans to consolidate its inpatient services at Franciscan St. James Health-Olympia Fields, and to eliminate all inpatient and Emergency Room services from Franciscan St. James Health-Chicago Heights.

The Archdiocese recognizes the critical role that the Chicago Heights hospital has fulfilled for over 100 years in the southern suburbs, and understands the unusual nature of the Archdiocese's endorsement of the elimination of inpatient services of a Catholic hospital. That said, the Archdiocese also understands the Sisters of St. Francis of Perpetual Adoration's unwavering commitment to the region, the fact that alternatives to the hospital's closing have been thoroughly evaluated, and the financial realities of operating two hospitals in such close proximity to one another in a rapidly changing health care environment.

Continued access to care is an important component of Franciscan St. James Health's endeavor. The Archdiocese is confident that those who have traditionally looked to the Chicago Heights hospital for their care will be able to access care through the planned expansion of outpatient and urgent care services in Chicago Heights and at the Olympia Fields hospital, and therefore, the Archdiocese endorses the plans of Franciscan Alliance, Inc. and urges approval of these necessary projects.

Sincerely yours,

Most Reverend Blase J. Cupich
Archbishop of Chicago

Attn: Courtney Avery, Administrator.

This letter is written in strong support for the St. James Expansion Project in Olympia Fields, Ill.

My name is Elaine Shannon, my husband Glenn and I have been residents for the past 25 years in Olympia Fields. We have been patients at the hospital during this period and have found the services to be exceptional. Therefore, any expansion would be highly beneficial to the residents and surrounding communities.

We ask your consideration and understanding ^{as to} how this expansion would greatly allow the hospital to provide excellent services to our community.

Thank you for your favorable response,

Sincerely,

Elaine Shannon - (708) 921-2016
