RE: Discontinuation of a Health Care Facility Exemption
Exemption: E-017-16, Tri-Cities Surgery Center, LLC, Geneva
Exemption Holder: Northwestern Memorial Healthcare - CDH-Delnor Health System
d/b/a Cadence Health - Delnor-Community Hospital - Tri-Cities
Surgery Center, LLC

Dear Ms Orth:

On August 5, 2016, the Chairwoman of the Illinois Health Facilities and Services Review Board (State Board) approved your request for the discontinuation of a Health Care Facility. This approval was based upon the application's compliance with applicable provisions of P.A. 99-0154. The exemption is for the discontinuation of a Health Care Facility. There is no cost to this transaction.

Please be advised that the Exemption is not transferable or assignable and that the State Board's approval does not exempt the transaction from any other regulatory, certification or licensure requirements that may be applicable prior to this acquisition. PA 99-0154 requires that the hospital notify the State Senator and State Representative representing the legislative district in which the hospital resides within thirty (30) days of the approval date of this discontinuation.

Should you have any questions or concerns please contact Mike Constantino or George Roate of my staff at Mike.Constantino@illinois.gov or George.Roate@illinois.gov or 217.782.3516.

Sincerely,

A handwritten signature in black ink, appearing to read "Kathy Olson".
