Re: *Notice of Change of Organizational Structure*  
Ingalls Same Day Surgery  
(Ambulatory Surgical Treatment Center license # 7001043)

To Whom It Concerns:

On behalf of Ingalls Same Day Surgery ("ISDS"), I am writing to provide courtesy notice that ISDS ultimate parent company, Ingalls Health System, Inc., an Illinois not-for-profit corporation, experienced a change in its corporate member (the "Organizational Change") effective September 30, 2016 (the "Effective Date"). Specifically, effective on the Effective Date, the University of Chicago Medical Center, an Illinois not-for-profit corporation, became the sole corporate member of Ingalls Health System, Inc.

The Organizational Change is a change in the corporate "great-grandparent" of ISDS, does not result in a change of ownership of ISDS, and will have no impact on ISDS' legal name, federal tax identification number, location, supervising personnel, operating procedures, or services.

If you have any questions about the Organizational Change, please call me at (708) 915-6139.

Sincerely,

Diane Jacoby  
Vice President and General Counsel
