Re: E-0768-16 Hammond-Henry Hospital

Dear Ms. Avery,

Per your request, this letter is to confirm that the discontinuation of our obstetrics services was effective on April 30, 2017. The OB beds are designated as medical surgical beds, which this was confirmed on May 3, 2017 by Dennis Schmitt, IDPH Supervisor of Design & Construction Section.

Thank you for your assistance during this exemption process. Should you have any questions or concerns please contact me at Laura Domino at lauradomino@hammondhenry.com or 309.944.9101.

Sincerely,

Laura Domino
Vice President of Patient Care Services
