Re: Opposition to the micro Hospital In Crystal Lake, CON #17002

Dear Sir:

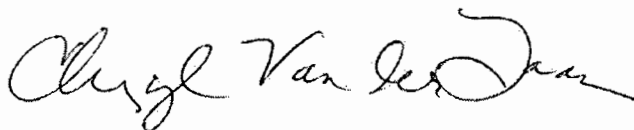

I strongly oppose the construction of a micro hospital in Crystal Lake, # 17002.

I am a fifteen year Crystal Lake resident and see no value to this proposed project. It will only add cost, of over a hundred million dollars (including the M.O.B.). I and my neighbors are more than satisfied with the excellent services and care of the four full service hospitals located within an easy drive of our community.

I do not understand why someone would want to use a micro hospital that has a incomplete range of services, when full service hospitals are nearby. I am also alarmed by the possibility that I or a family member might be taken to this micro hospital in an emergency situation.

I strongly recommend denying this application for a new, micro hospital in Crystal Lake.

Yours,

Cheryl Vanderlaan
