Opposition to Crystal Lake Hospital, CON # 17-002

Dear Administrator Avery:

I am writing this letter to show my opposition to the little hospital proposed to be built in Crystal Lake. I understand that the CON Board has a rule that new hospitals must be 100 beds, unless the hospital are located in an underserved/rural area. This CON rule makes sense. We live in a suburban area, not rural and we are certainly not in an underserved area. We have four hospitals in McHenry County, already.

I respectfully urge the CON Board to deny this project.

Very Truly Yours,
