Subject: Opposing Crystal Lake Hospital, CON # 17-002

Dear Ms. Kathryn Olson:

I do not agree with building a hospital in Crystal Lake. Another hospital is not needed, especially when it cost \$82 million to construct. Then after construction, more funds will be needed to operate this new facility. This area already has many fine hospitals and doctors. While it is always nice to have a new, shiny medical facility the high cost outweighs the benefit.

Please stand with me to oppose this project.

Sincerely,

Louis Groleau
