Dear Mr. Van Den Heuvel:

On June 20, 2017 the State Board approved the two permits referenced above. Since that time the State Board has not required post permit reporting because of the ongoing litigation. This letter is a reminder going forward that these reports are to be submitted.

Two annual progress reports are due on these two projects by **June 20, 2020 (77 ILAC 1130.760)**.

Two permit renewals will need to be filed to extend the completion date of **November 30, 2020** for these two projects (77 ILAC 1130.740).

Two financial commitment notices for these two projects is due with the filing of the annual progress reports on **June 20, 2020 (77 ILAC 1130.720)**.

If the financial commitment can not be made by that time an extension of the financial commitment period will need to be filed for each project (**77 ILAC 1130.730**).

If there are any alterations to these projects alterations to the permit need to be submitted (**77 ILAC 1130.750**).

Should you have any questions or concerns please contact Mike Constantino or George Roate of my staff at Mike.Constantino@illinois.gov or George.Roate@illinois.gov or 217.782.3516.
