RE: Permit 17-006
NorthShore University HealthSystem Round Lake
Beach Medical Clinics Building
Request for Relinquishment of Permit

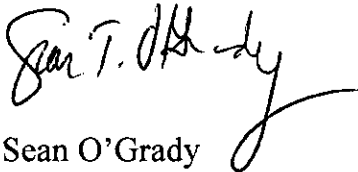

Dear Ms. Avery:

On May 2, 2017 the HFSRB issued the above-referenced Permit for the establishment of a medical clinics building having a project cost of \$14,974,094. A Permit was sought because the project cost exceeded the capital expenditure threshold. The Permit holder has subsequently elected to reduce the scope of the project significantly, reducing the project cost below the capital expenditure threshold in place at the time the project's CON application was filed. Therefore, the project, as currently contemplated does not require a CON Permit, and the relinquishment of Permit 17-006 is hereby requested.

Enclosed please find a check in the amount of \$1,000 provided as a processing fee.

Should any additional information be required, please contact Jack Axel at 847/776-7101.

Sincerely,

Sean O'Grady
Chief Clinical Operations Officer
