Kathryn J. Olson  
535 West Jefferson Street, Second Floor  
Springfield, Illinois 62761

Dear Ms. Olson,

Please accept this letter as my support for Meadowbrook Manor's application for a Certificate of Need to establish a 150 bed long-term care skilled nursing facility to be located north of Keslinger Road and west of Randall Road in Geneva, Illinois.

Not only would the long term care facility at Meadowbrook Manor be important because of the progressive services such as dementia care, dialysis and other therapies to the senior population, but it will also bring new jobs to our community.

The location, with excellent proximity to Delnor Hospital, will be ideal for our elderly population living in St. Charles, Geneva, Batavia and the surrounding areas. I am confident that Meadowbrook Manor in Geneva will offer physical, medical, emotional and financial services, thus providing the highest quality supportive and compassionate care for our seniors.

I support Meadowbrook Manor's endeavor and ask for your consideration of their application for a Certificate of Need.

Sincerely,

A handwritten signature in black ink, appearing to read "S.A. Andersson".
