Re: Letter of support for CCHHS Provident Hemodialysis unit

Dear Review Board Members:

I am a dialysis patient at Stroger Hospital and receiving excellent treatment from the Doctors and Dialysis staff.

I understand I may have to be transferred out so that the Stroger Hospital Dialysis unit can accommodate acute and new Kidney failure patients. I would prefer to remain in the CCHHS network and would dialyze at Provident Hospital if stations were available there, so that the same medical and dialysis staff will continue to provide my dialysis treatment.

I humbly ask you to approve the application for a Dialysis Unit at Provident Hospital.

Sincerely,
