Re: Project 17-017 – Dialysis Care Center services at the Provident Dialysis Center

Dear Mr. Constantino:

This letter is written to provide information regarding the Provident Dialysis Center ("Center") and the services that Dialysis Care Center ("DCC") will provide in the Center. Cook County Health has contracted with DCC to provide ancillary support staff, as well as management for the ancillary support staff. The physician services and facility oversight of the Center will be provided by Cook County Health staff.

Should you have any additional questions regarding the DCC services, please do not hesitate to contact me.

Sincerely,
