Re: Name change to Project 17-017

Dear Mr. Constantino:

This letter is written as a request to change the business name of "Provident Hospital of Cook County Dialysis Center". This is the business name currently listed on the CON. We would like the newly proposed name change to read: "Provident Dialysis Center".

This request is in response to the diabetes committee decision to shorten the name in order to make it easier for our patients to remember. This name change will also allow for ease of creating signage and other marketing material. We appreciate your authorization in this matter.

Sincerely,

Tanya Seaton, MBA, CMPE, FACHE
