Re: Support for SwedishAmerican Hospital's Revised Modernization CON
Application (Project No. 17-019)

Dear Chairwoman Olson:

Our organization strongly supports this CON application of SwedishAmerican Hospital, which has faithfully served the greater Rockford area for more than a century. This modernization project is needed and, once approved, will result in improved health care facilities and services in our region. We urge your favorable consideration of this needed project.

Respectfully,

Tiffany Staman
