Re: Notice Requirement for Submitting the Annual Progress Report for Project # 17-021

Dear Mr. Barnes:

Please accept this letter as notice that you are required to submit the Annual Progress Report for Project #17-021, AMITA Health Woodridge Medical Clinic Building, Woodridge. Pursuant to the Illinois Health Facilities Planning Act (Act), this notice fulfills the Health Facilities and Services Review Board's (State Board) requirement for providing notice to permit holders of post-permit reporting requirements. Your Annual Progress Report **is due no later than January 18, 2020.**

The requirements for a compliant Annual Progress Report are defined in the State Board's regulations under 77 Ill. Adm. Code 1130.760. Your report should adhere to these requirements.

Please be aware that the permit is valid only for the defined construction or modification, site, amount and the named permit holders as approved by the State Board. If the permit holder believes that a change to the project will occur, please refer to 77 Ill. Adm. Code 1130.750 for allowable alterations and the proper procedure for pursuing an alteration. Any change may constitute an alteration; all alterations shall be reported/approved by the HFSRB before any alteration is executed.

In accordance with the Act, the permit is valid until such time as the project has been completed, provided that all post-permit requirements have been fulfilled, pursuant to the requirements of 77 Ill. Adm. Code 1130. If the permit holder believes that additional time is required to complete the project, please refer to 77 Ill. Adm. Code 1130.740 for the proper procedure for pursuing a permit renewal.

Failure to comply with post-permit requirements may result in fines as defined in the Act and State Board regulations.

Should you have any questions or concerns, please contact Mike Constantino or George Roate of my staff at Mike.Constantino@illinois.gov or George.Roate@illinois.gov or 217.782.3516
