RE: Project 17-028  
AMITA Health Adventist Medical Center La Grange

Dear Ms. Avery:

This letter is being written in support of the above-referenced project, which is scheduled to be voted on by the Illinois Health Facilities and Services Review Board.

I am in full support of this project because of the hospital's long history of providing needed health care services to residents of La Grange and beyond. Many of the residents of my district appreciate the ability to receive high quality hospital services close to home, and this project will expand the scope of the services that the hospital is able to provide.

In accordance with the ethical principles outlined in Part 2 of the Illinois Governmental Ethics Act, I have determined that since it is in the best public interest of the citizens of the 41st Legislative District, I urge the HFSRB to view this project in a favorable fashion during its September 26<sup>th</sup> deliberations.

Sincerely,

A handwritten signature in cursive script that reads "John F. Curran".
