RE: Permit Alteration: Project #17-035 – Manor Court of Rochelle
Permit Holder: Residential Alternatives of Illinois, Inc.

Dear Mr. Kniery:

On June 26, 2018, the Illinois Health Facilities and Services Review Board (State Board) approved the alteration requested for the above-captioned project. The alteration approved was for the following:

To increase the approved permit amount from \$17,646,768 to \$18,871,873 for an increase of \$1,225,105 or 6.94%; and increase the approved gross square footage ("GSF") from 63,593 GSF to 66,770 GSF or by 3,177 GSF or 4.99%.

The permit holder is reminded that for the final realized cost report, any amount that exceeds the altered permit amount will be considered a cost overrun without a permit.

The permit holder should note the post-permit requirements contained in "Subpart G" of 77 ILAC 1130. Adherence to the post-permit requirements is essential in maintaining a valid permit and is the responsibility of the permit holder.

Should you have any questions please contact Mike Constantino of George Roate at (217) 782-3516 should you have any questions.

Sincerely,

A handwritten signature in blue ink, appearing to read "Kathy Olson".
