HEALTH FACILITIES &
SERVICES REVIEW BOARD

Dear Ms. Avery:

I appreciate our phone discussion earlier today regarding the City of Woodstock's request for public hearings related to the Certificates of Need and Certificates of Exemption applications filed on behalf of Centegra Health System identified as applications: Centegra Hospital – Woodstock (17-036), Centegra Hospital – Huntley (17-037), Centegra Hospital – Woodstock (E-036-17), and Centegra Hospital – McHenry (E-037-17), all of which were received by your office on August 17th. All four applications appear to be interconnected and involve operational changes to Centegra's service levels that will impact our community.

Therefore, this correspondence is intended to serve as the City's formal request for public hearings related to all four applications, previously identified. This request expands on the previous public hearing requested in my August 21st correspondence related to Certificate of Need Application 17-036 regarding changes to the Centegra Hospital – Woodstock. In addition, the City is requesting public hearings for the following:

- Certificate of Need, Application 17-037, Centegra Hospital – Huntley;
- Certificate of Exemption, Application E-036-17, Centegra Hospital – Woodstock; and
- Certificate of Exemption, Application E-037-17, Centegra Hospital – McHenry.
