Re: Centegra Hospital Public Hearings
Projects 17-036, 17-037, E-036-17, E-037-17

Dear Ms. Avery:

I'm writing with regard to the public hearings scheduled for October 2, 2017 in Woodstock on the above applications.

Due to the major impact that these applications will have on the availability of health care in McHenry County, there is a much greater interest and concern among the citizens of my district than might otherwise be the case.

The public hearings on these applications are scheduled to begin at 11:00 AM on October 2. At a public meeting held last night, many of those in attendance indicated that the scheduled time made it impossible to attend because of work schedules and other daytime commitments.

Given the great concern of so many residents of my district, I believe that the meeting should be rescheduled to accommodate the greatest attendance possible. I therefore respectfully request that the meeting be held in the evening on October 2 rather than mid-day. My office will assist in any way to facilitate a change in the time of the meeting. I look forward to your reply.

Very truly yours,
