SUBJECT: Certificate of Need Application for Hemodialysis Center

Dear Mr. Waters:

As a self-insured employer in Peoria, Keystone is very concerned regarding rising healthcare costs in our area and welcomes efforts to contain same.

In that regard, UnityPoint's initiative to establish a hemodialysis center at their Proctor Campus is viewed as a positive effort at healthcare cost reduction. By establishing the Center, UnityPoint will offer an alternative to the present existing monopoly for this service, which in turn should effectuate a reduction in the outlandish rates patients are currently being charged for this essential service.

Keystone heartily endorses your efforts in this regard and appreciates your diligence in striving to contain healthcare costs.

Very truly yours,
