HEALTH FACILITIES &  
SERVICES REVIEW BOARD

Dear Ms. Avery:

Please accept this letter as an indication of my enthusiastic support for AMITA Health St. Alexius Medical Center's renovation plans. This hospital has, for many years, been a medical anchor for the far northwest suburbs, and has a long history of providing high quality health care services, regardless of a patient's financial capacity.

Should you have any questions concerning my support for this important project, or desire any further information, please don't hesitate to contact my office.

Sincerely,

A handwritten signature in black ink, appearing to read "Cristina Castro".
