Re: CON Application for Vista Medical Center West

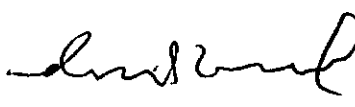

Dear Ms. Avery,

There is a critical need for more psychiatric services in Lake County and I support the application to expand the psychiatric services at Vista Medical Center West.

I am a volunteer at a homeless shelter in Lake County and statistically 1/3 of the homeless have mental health issues. At our homeless shelter we see this everyday.

Thank you for approving this application; it is crucial to the health of our community.

Sincerely,
