RE: Certificate of Need Application for Vista Medical Center West

Dear Ms. Avery,

As a resident of Lake County it is important that I let you know I support the expansion of psychiatric beds at Vista Medical Center West. Suicide is the 10th leading cause of death among residents of Lake County and while we have a 46-bed psychiatric unit at Vista Medical Center West we cannot seem to provide the crisis stabilization needed to help residents of all ages who live in Lake County. I have been informed US HealthVest will expand these critical services in our community.

I am delighted to hear of the expansion of Vista Medical Center West to 146 beds and I support the certificate of need application to increase access to more psychiatric beds in my community.

Sincerely,

Lee E. Sachnoff
