Reference: Project #17-054
Ann & Robert H. Lurie Children's Hospital of Chicago/Children's Hospital of Chicago
Medical Center – Addition of Licensed Beds

Dear Ms. Avery:

The purpose of this letter is to inform you that in accordance with 20 ILCS 3960/5, Ann & Robert H. Lurie Children's Hospital of Chicago ("Lurie Children's") intends to put in service an additional 24 licensed intensive care unit beds on the 17th floor of the hospital. These beds were authorized by the Illinois Health Facilities and Services Review Board on February 27, 2018 pursuant to Project #17-054. The Illinois Department of Public Health ("IDPH") inspected our facility on April 9, 2019 and has authorized its occupancy and use. Attached please find the written approval received from the IDPH Design and Construction Unit.

We intend to put these beds in service on May 16, 2019. Lurie Children's total licensed bed capacity of 336 licensed beds will increase to 360 upon the opening of the unit. The number of intensive care beds will increase from 140 to 164.

Please feel free to contact me if you have any questions about these proposed changes.

Sincerely,

DocuSigned by:

Permanent Occupancy

Re: Ann & Robert H Lurie Children's Hospital of Chicago
Chicago
Inpatient Expansion - 17th floor
IDPH No: 11197

Dear Patrick Magoon:

Based on the evaluation of the physical plant and life safety standards, the above project has been approved for occupancy on 04/22/2019.

If this project changes the bed count for which the facility is licensed for by adding or reducing beds, it will be necessary to contact the Illinois Health Facilities Services and Review Board. As required for the entire facility, this unit must be operated and maintained in accordance with the requirements of the Hospital Licensing Act (210 ILCS 8/1 et. seq.) and the Department's rules entitled Hospital Licensing Requirements (77 Ill. Adm. Code 250). For eligibility for Medicare reimbursement, the unit must be operated and maintained in accordance with the federal Conditions of Participation for hospitals (42 CFR 482.1 et. seq.).

If you have any questions about this approval, please do not hesitate to call us at 217/785-4247. The Department's TTY number is 800/547-0466, for use by the hearing impaired.

Sincerely,
