RE: Valley Ambulatory Surgery Center, L.P.
Project Nos. 17-057, E-048-17

Dear Ms. Avery:

The purpose of this letter is to update the office address for two of the applicants listed in the CON and exemption applications filed for Valley Ambulatory Surgery Center, Project Nos. 17-057 and E-048-17. Applicants VASC, Inc. and Surgery Partners, Inc. recently moved from 40 Burton Hills Boulevard, Suite 500, Nashville, Tennessee to 310 Seven Springs Way, Suite 500, Brentwood, Tennessee 37207. Please let us know if you require any further information or documentation of the entities' new office address.

Very truly yours,

Claire M. Reed
Counsel for Valley Ambulatory Surgery Center

RE: Valley Ambulatory Surgery Center, L.P. ("VASC")

Dear Ms. Avery:

I am Eric Lenting, MD – Urologist. Over the past twelve months, I have performed a total of 28 outpatient surgery cases at VASC.

Based on my historical referrals to VASC, I anticipate referring 55 surgical cases each year to the ASTC proposed by Valley Ambulatory Surgery Center, L.P. once it becomes operational. The patient origin by zip code of residence for these patients is attached. These referrals have not been used to support another pending or approved certificate of need application, and it is anticipated that future referrals to VASC will come from within the proposed geographic service area. The information provided in this letter is true and correct to the best of my knowledge.

Respectfully submitted,

Eric Lenting, MD

Subscribed and sworn to me on this 27th day of October, 2017.

RE: Valley Ambulatory Surgery Center, L.P. ("VASC")

Dear Ms. Avery:

I am Tom Stanley, MD – Spine Surgeon. Over the past twelve months, I have performed a total of 54 outpatient surgery cases at VASC.

Based on my historical referrals to VASC, I anticipate referring 95 surgical cases each year to the ASTC proposed by Valley Ambulatory Surgery Center, L.P. once it becomes operational. The patient origin by zip code of residence for these patients is attached. These referrals have not been used to support another pending or approved certificate of need application, and it is anticipated that future referrals to VASC will come from within the proposed geographic service area. The information provided in this letter is true and correct to the best of my knowledge.

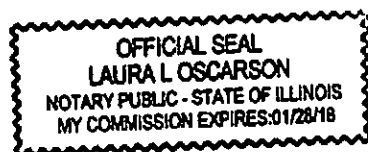

Respectfully submitted,

Tom Stanley, MD

Subject: VASC

Ms Reed

In regards to the rebuilding of VASC, we do not anticipate that this will have any impact on the surgical services provided at Naperville Fertility Center. We wish the owners of VASC good luck in their endeavor.

RE: VASC Relocation

Good afternoon Ms. Reed,
Elgin Gastroenterology Endoscopy Center, LLC is in receipt of your letter dated October 19, 2017 related to the relocation of Valley Ambulatory Surgery Center, L.P., ("VASC").

This letter is to confirm that Elgin Gastroenterology Endoscopy Center, LLC does, in fact, have capacity to accommodate additional Gastroenterology patient volume. Additionally, we would be happy to accommodate patients without conditions, limitations, or discrimination.

Professionally,

Susan Theobald
Administrator
The Endo Center of Elgin
