RE: Permit Renewal for Project #17-058, Premier Cardiac Surgery Center, Merrionette Park
Permit Holder: Heart Care Centers of Illinois, S.C. and Premier Cardiac Surgery Center, LLC

Dear Mr. Berlin:

On June 4, 2019, the Illinois Health Facilities and Services Review Board (State Board) approved the permit holder's request for a permit renewal for the above-referenced project. Therefore, the permit for this project has been renewed until December 31, 2019.

Should the permit holder determine that it will be unable to complete the project by December 31, 2019, the permit holder may request another permit renewal. The State Board must be in receipt of a permit renewal request **AT LEAST 45 DAYS PRIOR TO THE EXPIRATION DATE OF THE REQUIRED COMPLETION PERIOD.**

The permit holder is reminded that permits for projects which are not completed within the required time frame shall expire for lack of due diligence, unless renewed by the State Board. The permit holder is also reminded of the other post-permit requirements contained in "Subpart G" of Part 1130. Adherence to these requirements is essential in maintaining a valid permit and is the sole responsibility of the permit holder.

Should you have any questions about post permit requirements, please contact Mike Constantino or George Roate at (217) 782-3516.

Sincerely,

A handwritten signature in cursive script that reads "Courtney Avery".

Courtney Avery, Administrator
Illinois Health Facilities and Services Review Board
