Re: Project Completion (Section 1130.770)
CON Permit Project # 17-067
HSHS St. John's Hospital, Springfield,
Modernization of the 5th Floor M/S Patient Rooms

Dear Ms. Avery,

This Project Completion Notification is being submitted consistent with Section 1130.770. The project has been completed and approved by the Illinois Department of Public Health for Occupancy on January 31, 2020. See Attachment A.

The project scope remains unchanged and the permit completion date is February 29, 2020. The final realized cost report will be submitted within 90 days in compliance with Section 1130.770.

If you have any questions I can be reached at Jill.Tomich@hshs.org or at (217) 492-6156.

Sincerely,

Jill Tomich
Strategic Planning Manager

Permanent Occupancy

Re: St. John's Hospital
Springfield
Patient Tower Fifth Floor Remodeling
IDPH No: 11226

Dear E J Kuiper:

Based on the evaluation of the physical plant and life safety standards, the above project has been approved for occupancy on 01/31/2020.

If this project changes the bed count for which the facility is licensed for by adding or reducing beds, it will be necessary to contact the Illinois Health Facilities Services and Review Board. As required for the entire facility, this location must be operated and maintained in accordance with the requirements of the Hospital Licensing Act (210 ILCS 8/1 et. seq.) and the Department's rules entitled Hospital Licensing Requirements (77 Ill. Adm. Code 250). For eligibility for Medicare reimbursement, the location must be operated and maintained in accordance with the federal Conditions of Participation for hospitals (42 CFR 482.1 et. seq.).

If you have any questions about this approval, please do not hesitate to call us at 217/785-4247. The Department's TTY number is 800/547-0466, for use by the hearing impaired.

Sincerely,

Dennis Schmitt, Supervisor
Design and Construction Section
Division of Life Safety and Construction
