This section is applicable to all projects subject to Part 1120.

### A. Reasonableness of Financing Arrangements

The applicant shall document the reasonableness of financing arrangements by submitting a notarized statement signed by an authorized representative that attests to one of the following:

- 1) That the total estimated project costs and related costs will be funded in total with cash and equivalents, including investment securities, unrestricted funds, received pledge receipts and funded depreciation; or
- 2) That the total estimated project costs and related costs will be funded in total or in part by borrowing because:
  - A) A portion or all of the cash and equivalents must be retained in the balance sheet asset accounts in order to maintain a current ratio of at least 2.0 times for hospitals and 1.5 times for all other facilities; or
  - B) Borrowing is less costly than the liquidation of existing investments, and the existing investments being retained may be converted to cash or used to retire debt within a 60-day period.

### B. Conditions of Debt Financing

This criterion is applicable only to projects that involve debt financing. The applicant shall document that the conditions of debt financing are reasonable by submitting a notarized statement signed by an authorized representative that attests to the following, as applicable:

- 3) That the project involves (in total or in part) the leasing of equipment or facilities and that the expenses incurred with leasing a facility or equipment are less costly than constructing a new facility or purchasing new equipment.

**ARTICLE 3 TERM**

This Lease shall be effective on the Effective Date. The Term of this Lease shall commence on the Commencement Date and shall expire on the last day of the Term. "Lease Year" means a period of twelve (12) consecutive full calendar months, and the first Lease Year shall commence on the Commencement Date; provided, however, if the Commencement Date is a day other than the first day of the month, then the first Lease Year shall commence on the Commencement Date and shall end on the last day of the twelfth (12<sup>th</sup>) full calendar month following the last day of the month in which the Commencement Date occurs. Subsequent Lease Years shall be each consecutive twelve (12) full calendar

month period thereafter. Upon Landlord's written request, Tenant shall enter into a supplemental agreement in the form attached hereto as Exhibit C prepared by Landlord which affirms the Commencement Date, the first and last day of the first Lease Year, and the last day of the Term. If Landlord delivers the Premises to Tenant prior to the Commencement Date, Tenant's use and occupancy of the Premises shall be subject to all of the terms and provisions of this Lease (except Base Rent and Tenant's Proportionate Share of Real Estate Taxes shall commence when provided in Section 1.7 of this Lease).

## ARTICLE 4 RENT

### 4.1 Base Rent.

Commencing on the Commencement Date and continuing during the entire Term, Tenant shall pay to Landlord at the office of Landlord as set forth in Section 1.1 or such other place or places as Landlord may designate in writing from time to time, Annual Base Rent in the amounts set forth in Section 1.8, in twelve (12) equal monthly installments of Monthly Base Rent, each in advance as of the first day of each and every calendar month during the Term. If the Commencement Date is not the first day of a calendar month, then Monthly Base Rent shall be prorated on a daily basis on the basis of a thirty day month. Annual Base Rent shall be payable without demand, deduction, setoff or counterclaim. Annual Base Rent for any Lease Year that is greater or less than three hundred sixty-five (365) days (three hundred sixty six (366) days for a leap year) shall be prorated based on a calendar year of three hundred sixty-five (365) days (three hundred sixty six (366) days for a leap year), and calculated by multiplying the applicable Annual Base Rent by a fraction, the numerator of which is the number of days in such Lease Year and the denominator of which is three hundred sixty-five (365) days (three hundred sixty six (366) days for a leap year).

### 4.2 Additional Rent.

All amounts due Landlord from Tenant pursuant to this Lease other than Base Rent shall be additional rent ("Additional Rent"). Base Rent and Additional Rent are sometimes referred to herein as "Rent". Additional Rent and shall be payable without demand, deduction, set-off or counterclaim whatsoever.

Commencing on the Commencement Date and continuing during the entire Term, Tenant shall pay to Landlord, as Additional Rent, Tenant's Proportionate Share of the amount ("Tax Increase"), if any, by which Real Estate Taxes that are payable during each calendar year wholly or partially within the Term exceed Real Estate Taxes that are payable during the Base Year (prorated for any partial calendar year within the Term). If Real Estate Taxes for any calendar year are less than the amount of Real Estate Taxes for the Base Year, then Tenant's Proportionate Share of Real Estate Taxes for that calendar year shall be \$0.00. The Base Year is calendar year 2017. "Tenant's Proportionate Share" shall mean the fraction, the numerator of which is the square footage of the Premises and the denominator of which is the leasable square footage of the Shopping Center for the applicable billing period.

"Real Estate Taxes" shall include all taxes, assessments and impositions, general and special, ordinary and extraordinary, real and/or personal, foreseen and unforeseen, including assessments for public improvements and betterments, that are payable wholly or partially within the Term with respect to all land and improvements from time to time comprising the Shopping Center and/or imposed in connection with the use, occupancy or possession thereof; water and sewer rents; and other governmental impositions and charges of every kind in nature whatsoever; any tax or surcharge of any kind or nature with respect to the parking areas or the number of parking spaces in the Shopping Center and, if applicable, any tax on rents and receipts. Real Estate Taxes shall also include all reasonable costs and expenses, including without limitation, reasonable attorney's fees, incurred by Landlord in contesting, appealing and/or negotiating with public authorities to reduce the amount of Real Estate Taxes and/or the assessed valuation of the

Shopping Center. If, because of any change in the taxation of real estate, any other tax, imposition or assessment (including without limitation, any franchise, income, profit, sales, use, occupancy, gross receipts or rental tax) is imposed on Landlord as the owner of the Shopping Center, or on the occupancy, rents or income from the foregoing, in substitution for any taxes, such other tax or assessment will be deemed part of Real Estate Taxes.

#### **4.3 Estimated Monthly Payments of Additional Rent.**

Commencing on the Commencement Date and continuing during the entire Term, Tenant shall pay Landlord, on or before the first day of each calendar month during the Term, one twelfth (1/12th) of Tenant's Proportionate Share of the Tax Increase for the current calendar year as estimated by Landlord from time to time. Said monthly payments shall be based upon reasonable cost projections of Landlord (a copy of which projections shall be furnished to Tenant upon request therefor), subject to Landlord's absolute right to increase from time to time such monthly payment whenever such payments, in Landlord's reasonable estimation, will be insufficient to cover Tenant's Proportionate Share of the Tax Increase.

Within one hundred twenty (120) days following the end of each calendar year, Landlord shall furnish Tenant with a written reconciliation statement confirming Tenant's Proportionate Share of the Tax Increase. If the estimated payments by Tenant total less than the actual amount of Tenant's Proportionate Share for such calendar year, then Tenant shall pay the amount of such deficiency to Landlord within ten (10) days of Tenant's receipt of such written statement. If the estimated payments by Tenant exceed the actual amount of Tenant's Proportionate Share for such calendar year, such excess shall be credited against the payments of Additional Rent next due hereunder, or if no payments are remaining due as a result of the expiration of the Term, such excess shall be refunded to Tenant by Landlord within thirty (30) days of issuance of Landlord's written statement. Each party's obligations hereunder shall survive the expiration of this Lease. If Tenant does not deliver written notice to Landlord disputing Landlord's reconciliation statement for any calendar year within ninety days of Tenant's receipt of such statement, such reconciliation statement for such calendar year shall be deemed final and accepted by Tenant and Tenant shall be deemed to have waived all right to dispute such statement.

If Tenant has not removed any such lien or encumbrance, or furnished Landlord reasonably sufficient bond therefore, within thirty (30) days after

written notice to Tenant by Landlord (or such shorter period as indicated by Landlord if during the pendency of a sale or refinance), Landlord may pay the amount without being responsible for making any investigation as to the validity thereof, and the amount so paid shall be due and payable as Additional Rent.

"Common Areas" means the interior and exterior areas and facilities within the Shopping Center, which are: (i) not leased to a tenant, or (ii) by nature not leasable to a tenant for the purpose of the sale of merchandise or the rendition of services to the general public. Except as set out in Section 9.2, if the Premises are damaged or destroyed by fire or other casualty, Landlord shall, at its expense, and subject to Landlord's mortgagee(s) making available insurance proceeds to fund the same, repair and restore the portion of the Premises which originally constituted Landlord's Work so as to be substantially the same as prior to such damage or destruction. Any insurance proceeds remaining following the restoration by Landlord described in this Section shall be paid as directed by Landlord's lender. Landlord shall begin such repairs or restoration within six (6) months from the date of such fire or other casualty and shall complete said repairs or restoration within twelve (12) months from said date. Landlord shall notify Tenant in writing of the date by which repairs to or replacement of the Premises is to commence, and the estimated date of completion and shall diligently pursue such repairs or restoration to final completion. The date by which Landlord is to begin and complete said repairs or restoration shall be deferred for a period equal to any delay caused by reason of labor controversy, act of God, fire, or other casualty, governmental regulations, insurance adjustment, failure of Landlord's mortgagee(s) to authorize the release of insurance proceeds for funding the repairs or restoration, or other cause beyond the reasonable control of Landlord, provided Landlord has from time to time in writing kept Tenant fully advised of such delays and the cause therefore. Promptly following Landlord's restoration, Tenant shall commence and diligently pursue restoration of the work which originally constituted Tenant's Work, as subsequently modified by approved alterations, all of which work shall be subject to Article 6.

### **9.2 Last Two Years.**

**9.3 Rent Abatement.**

If such damage or destruction to the Premises results in the complete suspension of business in the Premises, all rents and other charges payable by Tenant hereunder shall abate from the date of such suspension of business until the completion of said repairs or restoration; and if such damage or destruction or the work of repairing or restoring said improvements results in only a partial suspension of business, the abatement shall be apportioned accordingly on the basis of the floor area rendered untenable.

**9.4 Failure to Restore.**

If Landlord fails to begin or complete the repairs or restoration of the Premises, within the times and in the manner provided for in this Article 9, then provided Tenant has given Landlord thirty (30) business days' prior notice and the right to cure said default, Tenant may, as its sole remedy, terminate this Lease by notice in writing to Landlord at any time prior to said beginning or completion, as the case may be.

**ARTICLE 10 INSURANCE**

**10.1 Landlord's Obligations**

Landlord agrees to purchase and keep in force and effect property insurance on the buildings in the Shopping Center with coverage for perils covered under a "Causes of Loss-Special Form" policy, as such coverage is from time to time available, in an amount not less than ninety percent (90%) of the full replacement cost. Landlord may, in its sole discretion, purchase business income, rent or rental value insurance, in amounts determined by Landlord, against loss of rent due to fire or other casualties, including an extended coverage endorsement and other endorsements. Such Landlord's insurance shall be subject to reasonable deductible levels as determined by Landlord. Landlord agrees to purchase and keep in force and effect commercial general liability insurance on the Shopping Center with limits of not less than \$2,000,000.00 for any one occurrence and \$2,000,000.00 aggregate, which may be satisfied by one or more policies, including umbrella or excess policies or otherwise. Landlord may obtain and/or maintain umbrella, excess, and/or business interruption policies, endorsements and/or coverages, and such other policies, endorsements, and/or coverages, as determined by Landlord from time to time. Any increase in the premiums for any insurance maintained by Landlord in connection with the Shopping Center (whether or not required hereunder) which is attributable to Tenant's use of the Premises for unusual purposes or hours may be allocated by Landlord exclusively to Tenant. Landlord's obligation to carry insurance under this Section may be satisfied by coverage under one or more primary, umbrella and/or excess liability policies.

**10.2 Tenant's Obligations**

Tenant, at Tenant's sole cost and expense, shall obtain and maintain for the Term of this Lease, insurance policies providing the following coverages: (i) commercial general liability insurance with respect to the Premises and Tenant's operations, which policy is to be in the minimum amount of Two Million Dollars (\$2,000,000.00) for any one occurrence and in the minimum amount of Two Million Dollars (\$2,000,000.00) aggregate, and in the minimum amount of Three Hundred Thousand Dollars (\$300,000.00) with respect to property damage, and shall include contractual liability coverage, (ii) Tenant's fixtures, equipment, furnishings, merchandise and other contents in the Premises, with coverage for perils as set forth under a "Causes of Loss - Special Form" policy, for the full replacement cost of said items, (iii) business income insurance with minimum coverage equal to at least one full year of Base Rent, (iv) plate glass insurance, (v) product liability insurance for merchandise offered for sale or rental from the Premises, including (if this Lease covers Premises in which food and/or beverages are sold and/or consumed) liquor liability coverage (if applicable to Tenant's business) and coverage for liability arising out of the consumption of food and/or alcoholic beverages on or obtained at the Premises, of not less than Two Million Dollars (\$2,000,000.00) per occurrence; (vi) comprehensive automobile liability

The minimum limits hereinbefore set forth may, at Landlord's option, be increased from time to time. Tenant shall deliver to Landlord certificates of insurance, or certified copies of each such policy prior to occupancy of the Premises. Neither the issuance of any insurance policy required hereunder, nor the minimum limits specified herein with respect to Tenant's insurance coverage, shall be deemed to limit or restrict in any way Tenant's liability arising under or out of this Lease. With respect to each and every one of the insurance policies herein required to be procured by Tenant, on or before the commencement of Tenant's Work and before any such insurance policy shall expire, and from time to time upon Landlord's request, Tenant shall deliver to Landlord a copy of each such policy or a certificate of the insurer, certifying that such policy has been issued, providing the coverage required of Tenant under this Lease and containing provisions specified herein, together with such endorsements and/or copies of such policies evidencing the same, and evidence of payment of all applicable premiums. Landlord shall be notified in writing promptly by Tenant of any non-renewal, cancellation or material changes to any policy. Landlord shall be notified in writing promptly by Tenant of claims against Tenant that might cause a reduction below seventy-five percent of any aggregate limit of any policy. Tenant agrees that if Tenant does not procure and maintain the insurance policies and coverages required under this Lease, Landlord may, but shall not be required to, obtain such insurance on Tenant's behalf and charge Tenant the premiums therefor together with a fifteen percent handling charge, payable upon demand. The failure of Tenant to provide such certificates of insurance, or the failure of Tenant to obtain such policies, shall not be deemed a waiver of Tenant's obligation to provide the insurance required under this Lease.

The policies described in this Section 10.2 shall: (i) be acceptable to Landlord in form and content, (ii) name Landlord, Landlord's Mortgagee, the manager of the Premises, the respective shareholders, members, managers, partners, affiliates and subsidiaries and any directors, officers, employees, agents or contractors of such persons or entities (collectively, "Landlord Parties") as additional insureds, (iii) contain an express waiver and release of any right of subrogation by the insurance company against Landlord and Landlord's parties, (iv) contain a provision that it shall not be canceled and that it shall continue in full force and effect, unless Landlord has received at least thirty (30) days prior written notice of such cancellation or termination, (v) not be materially changed without at least thirty (30) days prior written notice to Landlord, and (vi) shall be primary and noncontributory, and any insurance carried by Landlord shall be excess. All insurance required to be carried by Tenant hereunder shall be issued by responsible insurance companies licensed to do business in the state in which the Premises are located and acceptable to Landlord and the holder of any mortgage or deed of trust secured by any portion of the Premises (hereinafter referred to as a "Mortgagee").

Tenant shall not permit to be done any act which will invalidate or be in conflict with Landlord's insurance policies covering the Shopping Center or any other insurance referred to in this Lease. Tenant will promptly comply with all rules and regulations relating to such policies. If the acts of Tenant or its employees or agents shall increase the rate of insurance referred to in this Lease, such increases shall be promptly paid by Tenant as Additional Rent.

### **10.3 Waiver of Subrogation.**

Each party agrees to cause**

each insurance policy obtained by it to provide that the insurance company releases and waives all rights of recovery by way of subrogation, against either party (and their respective officers, directors, members, managers, employees, and agents) in connection with any loss or damage to property covered by such policy. All insurance policies to be provided under this Article 10 by either Landlord or Tenant shall contain a provision that they are not invalidated by the foregoing waiver.

**10.4 Indemnification.**

Subject to the provisions of Article 10.3, Tenant hereby agrees to indemnify, defend and hold Landlord harmless from and against any and all claims, demands, liabilities, losses, damages, and expenses, including reasonable attorney fees, arising from the negligence or willful misconduct of Tenant or its agents, employees or contractors in or about the Premises and/or Shopping Center, or arising from Tenant's occupancy or use of same.

Landlord shall not be responsible or liable at any time for any defects, latent or otherwise, in any buildings or improvements in the Shopping Center or any of the equipment, machinery, utilities, appliances or apparatus therein, nor shall Landlord be responsible or liable at any time for loss of life, injury or damage to any person or to any property or business of Tenant, or those claiming by, through or under Tenant, caused by or resulting from the bursting, breaking, leaking, running, seeping, overflowing or backing up of water, steam, gas, sewage, snow or ice in any part of the Shopping Center or caused by or resulting from acts of God or the elements, or resulting from any defect or negligence in the occupancy, construction, operation or use of any buildings or improvements in the Shopping Center, including the Premises, or any of the equipment, fixtures, machinery, appliances or apparatus therein.

Tenant shall not use or permit upon the Premises anything that will invalidate any policy of insurance now or hereafter carried on the Shopping Center or that will increase the rate of insurance on the Shopping Center. Tenant shall not do anything or permit anything to be done upon the Premises which in any way may tend to create a nuisance, disturb any other tenants in the Shopping Center or the occupants of any neighboring property. Notwithstanding any provision in this Lease to the contrary, Tenant shall comply with all governmental health and safety requirements and regulations respecting the Premises, and shall not conduct or permit to be conducted in the Premises any business which is in violation of any applicable law, statute, regulation, rule or ordinance. If Landlord supplies or pays for any such utilities, then as Additional Rent, Tenant shall reimburse Landlord for the same. If, for any reason whatsoever, any particular utility is not separately metered, then, and in that event, Tenant shall be responsible for its share based upon the formula that Landlord, in its reasonable discretion, deems appropriate. Tenant agrees to indemnify and hold harmless Landlord from and against any and all claims arising from the installation and maintenance of such utility services and from all costs and charges for utilities consumed on or by the Premises. Tenant shall promptly, and at its sole cost and expense, repair all damage to the Premises and/or Shopping Center caused by the intentional act, gross negligence, or negligence of Tenant, its agents, servants, employees, guests and invitees. Tenant shall, at Tenant's cost, be responsible for janitorial services at the Premises and for regular trash and refuse removal in connection with Tenant's use and occupancy of the Premises in compliance with all applicable laws and regulations. In the event Landlord or its agents or independent contractors shall elect or be required to make repairs, alterations, improvements, or additions to the Premises, Landlord shall be allowed to take into and upon the Premises, all material that may be required to make such repairs, alterations, improvements, or additions and during the continuance of any of said work, to temporarily close doors, entry ways, public space, and corridors in the Premises and/or Shopping Center and to interrupt or temporarily suspend any services and facilities without being deemed or held guilty of an eviction of Tenant or for damages to any of Tenant's property, business, or person, and the Rent reserved herein shall in no way abate while said repairs, alterations, improvements, or additions are being made. Landlord shall minimize its obstruction of Tenant's business to the extent reasonably practical under the circumstances. Landlord may, at its option, make all such repairs, alterations, improvements, or additions in and about the Premises and/or Shopping Center during ordinary business hours, but if Tenant desires to have the same done at any other time, and the same can be practicably done at any other time, Tenant shall then pay all overtime and additional expenses resulting therefrom. No notice need be provided in the event of an emergency. Landlord will pay for or repair any damage to the Premises caused by any voluntary entry it makes, excluding those precipitated by emergency or Tenant's failure to act. Any amount paid by Landlord for maintenance repairs or replacements which are the obligation of Tenant shall be due immediately as Additional Rent.

Landlord reserves the right at all reasonable times during the term of this Lease for Landlord or Landlord's agents to enter the Premises for the purpose of inspecting and examining the same, and to make such repairs, alterations, improvements, or additions as Landlord may deem necessary or desirable. If Tenant shall not be personally present to open and permit an entry into said Premises, at any time, when for any reason an entry therein shall be necessary or permissible, Landlord or Landlord's agents may enter the same by master key, or may forcibly enter the same, without rendering Landlord or such agents liable therefor, and without in any manner affecting the obligations and covenants of this Lease. Nothing herein contained, however, shall be deemed or construed to impose upon Landlord any obligation, responsibility, or liability whatsoever for the care, maintenance, or repair of the building or any part thereof, except as otherwise herein specifically provided.

**13.3 Structural Repairs.**

Landlord shall, at its expense, repair, reconstruct, or replace all structural damage or structural defects in the exterior or bearing walls, roof, roof drainage system and floor slab of the Premises excluding any structural damage caused by the intentional act, gross negligence, or negligence of Tenant, its agents, servants employees, guests, and invitees which shall be, in every case, Tenant's expense payable as Additional Rent.

**ARTICLE 14 CONDEMNATION**

**14.1 All or Part of Premises.**

If all or any part of the Premises, or one-third or more of the Shopping Center's parking spaces shall be taken or condemned by any competent authority for any public use or purpose, or sold to any such authority which has the power of eminent domain and has threatened to exercise such power with respect to the Premises or Shopping Center, then, unless otherwise agreed to by the parties, the Term shall end sixty (60) days after the earlier of either: (a) the date of any court order or agreement approving such taking or condemnation; (b) the date Landlord receives Tenant's advance written notice that it intends to terminate possession of the Premises, provided Tenant vacates the

Premises within such sixty (60) day period; or (c) the date such authority takes possession of the portion of the Shopping Center so condemned or sold. Landlord shall be entitled to any and all condemnation awards or judgments and Tenant hereby assigns such award or judgment to Landlord (except to extent such award or judgment specifically provides for payment thereof to Tenant for its relocation costs and Tenant improvements paid).

**14.2 Rent Apportioned.**

Rent shall, in all cases, be apportioned and paid as of the date of any of the above such terminations.

**14.3 Partial Taking Without Termination.**

In the event any portion of the Premises is taken and this Lease is not terminated in accordance with the provisions of this Article 14, all future Base Rent to become due under this Lease shall be reduced in proportion to the area of the Premises taken. Landlord, to the extent of the condemnation award or judgment, shall make any structural repairs or restoration necessary to make a complete architectural unit of the remainder of the Premises.

**ARTICLE 15      DEFAULT AND LANDLORD REMEDIES**

**15.1 Tenant Default.**

The occurrence of any one or more of the following events shall be a "Default": (i) if Tenant fails to pay Base Rent, Additional Rent or any other sums required to be paid by Tenant when the same shall become due and payable, and such failure shall continue for five days; (ii) if Tenant fails to perform or observe any terms and conditions of this Lease (other than those described in (i) above), and such failure shall continue for thirty days after written notice from Landlord; (iii) if any interest of Tenant in this Lease shall be levied upon under execution or other process, or if any petition for bankruptcy, reorganization, insolvency, or liquidation or similar law for the relief of debtors, are instituted by Tenant or against Tenant and are allowed or consented to by it or not dismissed within sixty (60) days; (iv) if Tenant or any guarantor of Tenant's obligations under this Lease dies (if an individual) or dissolves (if any entity); or (v) if Tenant or any guarantor of Tenant's obligations under this Lease becomes insolvent or admits in writing its inability to pay its debts, or if any assignment of Tenant's property shall be made for the benefit of creditors, or if a receiver or trustee is appointed for Tenant or its property. An anticipatory breach or repudiation by Tenant of any of the covenants or provisions of this Lease shall be deemed a Default.

**15.2 Remedies.**

If a Default occurs, Landlord shall have all of the rights and remedies herein set forth, which shall be distinct, separate, and cumulative, and which shall be in addition to all rights and remedies provided at law or in equity:

- (i) Landlord may terminate this Lease by giving five days written notice of such termination to Tenant, whereupon this Lease shall terminate and Tenant shall immediately surrender possession of the Premises to Landlord. In the event of any such termination of this Lease by Landlord, Tenant shall be liable for, and Landlord shall be entitled to recover from Tenant, all damages sustained by Landlord arising from or out of such Default, including, without limitation, the recovery of all Rents through the period that would have otherwise constituted the balance of the Term of this Lease as if this Lease had not been terminated,
- (ii) Landlord may terminate Tenant's right to possession of the Premises without terminating this Lease by giving five days written notice of such termination to Tenant, whereupon Tenant shall immediately surrender possession of the Premises to Landlord. In the event of any such termination of Tenant's right to possession of the Premises, Tenant shall be liable for, and Landlord shall be entitled to recover from Tenant, all damages sustained by Landlord arising from or out of such Default, including, without limitation, the recovery of all Rents through the end of the Term of this Lease;

- (iii) Landlord may pursue damages arising from or related to such Default without terminating this Lease or Tenant's right to possession of the Premises;
- (iv) Landlord may cure such Default on behalf of Tenant, and Tenant shall pay Landlord all costs and expenses incurred by Landlord in connection therewith upon demand;
- (v) Landlord may pursue specific performance or injunctive relief and any requirement that Landlord post any bond is waived.

Any damages sustained by Landlord arising from or related to any Default may be recovered by Landlord in one or more separate actions or proceedings, which may be brought by Landlord from time to time, without prejudice to any other right or remedy available to Landlord under this Lease or by law or equity.

In the event Landlord terminates this Lease or Tenant's right to possession of the Premises as provided above, Landlord shall also have the following rights: (i) Landlord shall have the right to enter into the Premises with or without process of law, and to repossess Landlord of the Premises, and to expel or remove Tenant and, at Tenant's expense, any and all property therefrom, using such force as may be necessary, without being deemed in any manner guilty of trespass, eviction, forcible entry or detainer, or conversion of property, and without relinquishing Landlord's right to recover all damages arising from or out of such Default, or any other rights or remedies afforded Landlord under this Lease or by law or equity; and all without releasing Tenant, in whole or part, from Tenant's obligations to pay all Rents and perform all other obligations under this Lease for the full Term of the Lease, and (ii) Landlord shall have the option to relet the Premises for such rent and upon such terms as are not unreasonable under the circumstances, and Tenant shall be liable for all damages sustained by Landlord in reletting or attempting to relet the Premises, including, without limitation, attorneys' fees, brokerage fees and the costs and expenses of placing the Premises in first class rentable condition, and the costs of making such alterations, repairs or replacements in and to the Premises as Landlord, in its sole judgment, considers advisable and necessary for the purpose of reletting the Premises, and the making of such alterations, repairs or replacements shall not operate or be construed to release Tenant from any liabilities under this Lease. Landlord shall in no event be liable in any way whatsoever for failure to relet the Premises, or in the event that the Premises are relet, for failure to collect the rent under such reletting. If the consideration collected by Landlord upon any such reletting, after payment of the all damages sustained by Landlord in reletting or attempting to relet the Premises, is insufficient to pay monthly the full amount of Rent, Tenant shall pay to Landlord the amount of each monthly deficiency as it becomes due. Any excess or residue shall operate only as an off-setting credit to future Rent payable hereunder, but the use of such off-setting credit to reduce the amount of Rent due Landlord, if any, shall not be deemed to give Tenant any right, title, or interest in or to such excess or residue and any such excess or residue shall belong solely to Landlord. Landlord shall neither be required to offer the Premises for lease in preference to other space available from it or its affiliates, nor required, in the exercise of its reasonable judgment, to accept any tenant offered by the Tenant or to observe any instructions given by Tenant relative to such reletting. For the purpose of determining Percentage Rent (if required to be paid under this Lease) in the event of a Default, Percentage Rent for any period shall be the greater of: (a) the pro rata share of actual Percentage Rent for the applicable full Lease Year; or (b) the pro rata share of the Percentage Rent payable for the preceding full Lease Year.

### **15.3 Bankruptcy.**

If Tenant shall be adjudged bankrupt, or any trustee in bankruptcy shall be appointed for Tenant and not dismissed within the period provided herein above, Landlord and Tenant hereby agree, to the extent permitted by law, to request that a trustee in bankruptcy (or debtor in possession, as the case may be) determine within sixty (60) days thereafter whether to accept or reject this Lease, and Tenant hereby agrees not to seek or request any extension or continuation of such time in any

bankruptcy proceeding to assume or reject this Lease. In no event after the assumption of this Lease, shall any then existing Default remain uncured for a period in excess of the earlier of ten (10) days or the time period for curing such Default as set forth herein. Failure to cure such Default within such time shall constitute a Default hereunder. Landlord and Tenant agree that adequate assurance of performance of this Lease, as set forth in Section 365 (b)(i) of the Bankruptcy Code with respect to monetary Default under this Lease shall be in the form of cash or immediately available funds in an amount equal to at least the amount of such monetary Default so as to assure Landlord that it will realize the amount of such Default. If Tenant assumes this Lease and proposes to assign this Lease pursuant to the provisions of the Bankruptcy Code to any person or entity who shall have made a bona fide offer to accept an assignment of this Lease, the notice of such proposed assignment, setting forth (1) The name and address of such person or entity; (2) All of the terms and conditions of such offer; and (3) The adequate assurance to be provided Landlord to assure such person's or entity's future performance under this Lease, shall be given to Landlord by Tenant within twenty (20) calendar days after receipt of such offer by Tenant, and in no event later than ten (10) calendar days prior to the date the Tenant shall make such application to the Bankruptcy Court for authority and approval to enter into such assumption and assignment. In addition, Landlord shall thereby have a right of first refusal to be exercised by notice to Tenant given within ten (10) days prior to the effective date of such proposed assignment, to accept an assignment of this Lease upon the same terms and conditions and for the same consideration, if any, as the bona fide offer made by such a person or entity, less any broker's commissions which may be payable out of any consideration to be paid by such person or entity for the assignment of this Lease.

All money or other consideration payable by Tenant or otherwise to be delivered to or on behalf of Landlord under this Lease, whether or not expressly denominated as rent hereunder, shall constitute rent for purposes of Section 502(b)(vi) of the Bankruptcy Code and shall be the sole property of the Landlord.

**15.4 Landlord Default.**

Landlord shall in no event be charged with any default under this Lease unless Landlord shall fail to perform or observe any term, condition, covenant or obligation required to be performed or observed by Landlord under this Lease for a period of thirty (30) days after written notice thereof from Tenant; provided, however, that if the term, condition, covenant or obligation to be performed by Landlord is of such nature that more than thirty (30) days are reasonably required for performance then Landlord shall not be in default if Landlord commences performance within such thirty (30) day period and diligently prosecutes the same to completion.

**15.5 Waiver of Damages and Limitation of Recourse.**

NOTWITHSTANDING ANY PROVISION IN THIS LEASE TO THE CONTRARY, TENANT AGREES THAT LANDLORD SHALL NOT BE LIABLE TO TENANT FOR ANY INDIRECT, CONSEQUENTIAL, INCIDENTAL OR PUNITIVE DAMAGES OR ANY DAMAGES FOR LOST PROFITS AND/OR LOST BUSINESS OPPORTUNITY, REGARDLESS OF THE FORM OF THE ACTION OR THE THEORY OF RECOVERY, EVEN IF LANDLORD HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. Notwithstanding any provision in this Lease to the contrary, any liability of Landlord under this Lease, or any amendments or modifications thereto, shall be limited to the then owner's equity in the Premises, and no personal liability shall be asserted against Landlord, its partners, managers, officers, directors, shareholders, beneficiaries, members, employees, or agents, or any successors or assigns, in connection with this Lease nor shall any recourse be had to any other assets of

Landlord or any assets of the partners, managers, officers, directors, shareholders, beneficiaries, members, employees, or agents of Landlord.

## ARTICLE 16 SURRENDER OF POSSESSION

### 16.1 Tenant's Duty.

On or before the date this Lease and the Term hereby created terminates, or on or before the date Tenant's right of possession terminates, whether by lapse of time or at the option of Landlord (if Landlord has a right to terminate possession), Tenant shall at its sole cost and expense perform the following acts as herein set forth:

#### 16.1.1 Removal of Trade Fixtures.

Remove from the Premises all of Tenant's trade fixtures and personal property (hereinafter "Personal Property").

#### 16.1.2 Surrender of Possession.

Surrender possession of the Premises to Landlord, in the same condition as existed on the Commencement Date as modified by approved alterations and other modifications pursuant to Article 6, ordinary wear and tear and damage required to be repaired by Landlord due to a casualty excepted.

### 16.2 Landlord's Rights.

If Tenant shall fail or refuse to comply with Tenant's duty to remove all trade fixtures and Personal Property from the Premises on or before the expiration of its right to possession of the Premises whether by expiration of the Term or otherwise, the parties hereto agree and stipulate that Landlord may, at its election after twenty (20) calendar days' prior written notice to Tenant and Landlord's statement of its intention, pursue either of the following remedies as herein set forth.

#### 16.2.1 Transfer of Title to Tenant's Trade Fixtures.

Treat such failure or refusal as an offer by Tenant to transfer title to such Personal Property to Landlord, in which event title thereto shall thereupon pass under this Lease as a bill of sale to and vest in Landlord absolutely without any cost either by set-off, credit allowance or otherwise, and Landlord may remove, sell, donate, destroy, store, discard, or otherwise dispose of all or any part of said Personal Property in any manner that Landlord shall choose.

#### 16.2.2 Disposal of Tenant's Trade Fixtures.

Treat such failure or refusal as conclusive evidence, on which Landlord shall be entitled absolutely to rely and act, that Tenant has forever abandoned such Personal Property, and without accepting title hereto, Landlord may, at Tenant's expense, remove, store, destroy, discard, or otherwise dispose of all or any part thereof in any manner that Landlord shall choose without incurring liability to Tenant or to any other person. In no event shall Landlord ever become or accept or be charged with the duties of a bailee (either voluntary or involuntary) of any such Personal Property, and the failure of Tenant to remove all such Personal Property from the Premises shall forever bar Tenant from bringing any action or from asserting any liability against Landlord with respect to any such Personal Property which Tenant fails to remove.

## ARTICLE 17 HOLDING OVER

If Tenant retains possession of all or part of the Premises after termination or expiration of this Lease, such occupancy shall be deemed to be a month-to-month tenancy, subject to all provisions of this Lease that can reasonable be applied to a month-to-month tenancy, except that Base Rent shall be double the amount that

was last in effect immediately preceding such holdover. Either party may terminate such month-to-month tenancy upon delivery of at least thirty days advance written notice of termination to the other party.

## ARTICLE 18 NON-DISTURBANCE AND ATTORNMENT

### 18.1 Non-disturbance.

So long as Tenant is not in default in the payment of Rent or in the performance of any term of the Lease, then, subject to this Article 18, Tenant's possession of the Premises and its rights and privileges under the Lease shall not be diminished or interfered with by a mortgagee.

### 18.2 Attornment.

If a mortgage is foreclosed for any reason, and a mortgagee succeeds to Landlord's interest under the Lease, Tenant shall be bound to the mortgagee under all of the terms of the Lease for the balance of the remaining Term with the same force and effect as if mortgagee were the landlord under the Lease. Upon presentation of reasonable evidence that title has changed, Tenant hereby attorns to mortgagee as its landlord, such attornment to be effective and self-operative, without the execution of any further instrument by either party, as soon as mortgagee succeeds to the Landlord's interest under the Lease. Notwithstanding any contrary provision herein, Tenant shall not be required to pay rent to the mortgagee until Tenant receives written notice from mortgagee that it has succeeded to Landlord's interest under the Lease. The respective rights and obligations of Tenant and mortgagee upon such attornment shall, to the extent of the then remaining balance of the Lease Term, be the same as now set forth therein.

### 18.3 Mortgagee's Obligations.

If a mortgage is foreclosed for any reason and a mortgagee succeeds to the Landlord's interest under the Lease, such mortgagee shall be bound to the Tenant under all of the terms of the Lease, and Tenant shall, from time and after such event, have the same remedies against mortgagee for the breach of the Lease that Tenant might have had under the lease against the prior landlord thereunder. In no event shall mortgagee be liable for any act or omission of any prior landlord, be subject to any offsets or defenses which Tenant might have against any prior landlord, be bound by any amendment of this Lease made without the mortgagee's consent, or be bound by any rent which Tenant might have paid to any prior landlord for more than the current month.

### 18.4 Binding Effect.

The rights and obligations hereunder of Tenant and mortgagee shall bind and inure to the benefit of their respective successors and assigns.

### 18.5 Subordination.

Upon request of Landlord, Tenant shall subordinate its rights hereunder to the lien of any mortgage or mortgages, or the lien resulting from any other method of financing or refinancing now or hereafter in force against the real estate and/or buildings of which the Premises are a part of or against any building any buildings hereafter placed upon said real estate of which the Premises are a part.

## ARTICLE 19 ESTOPPEL

Tenant agrees that from time to time within thirty days of Landlord's request, Tenant will deliver to Landlord a statement in writing certifying: (a) that this Lease is unmodified and in full force and effect (or, if there have been modifications, that this Lease as modified is in full force and effect); (b) the date to which the Rent and other charges have been paid; (c) that Landlord is not in default under any provision of this Lease, or, if in default, the nature thereof in detail, and (d) such other information as may be requested by Landlord. Tenant agrees to execute and deliver to Landlord with thirty days of Landlord's request therefore any subordination, non-disturbance, and attornment agreement in favor of any mortgagee in such form as is required by such mortgagee.

## **ARTICLE 20 COMPLIANCE WITH LAWS**

Tenant shall, at its sole cost and expense, promptly comply with, and make all changes, alterations or improvements required by, all present and future laws, statutes, codes, ordinances, regulations, acts, rules, requirements, orders, and directions, concerning or relating to the Premises or any part thereof, or the use thereof, or any operations therein, or relating to all changes, alterations, or improvements made by or on behalf of Tenant, and Tenant shall hold Landlord harmless from any and all costs or expenses on account thereof.

## **ARTICLE 21 HAZARDOUS SUBSTANCES**

Notwithstanding any provision contained in this Lease to the contrary, Tenant shall not cause or permit any Hazardous Substances to be introduced, stored or used at, in, on, under or about the Premises and/or Shopping Center, except de minimis amounts of Hazardous Substances (such as cleaning materials) used in the ordinary course of Tenant's business and in accordance with all applicable environmental laws. Tenant, at Tenant's sole cost and expense, shall promptly remediate all or any portion of the Premises and/or Shopping Center to the extent of any violation of any provision of this Article 21 or any presence, escape leakage, spillage, discharge, emission, release, installation or disposal of any Hazardous Substances and/or any violation of environmental laws caused by Tenant, or Tenant's successors, assigns or subtenants (or any employees, agents, vendors, licensees, invitees or contractors of Tenant or any of the foregoing). Tenant shall provide Landlord with copies of all notices received from any governmental authority regarding environmental matters in respect of the Premises and/or Shopping Center. Tenant hereby indemnifies, defends and holds Landlord harmless from any and all losses, liabilities, damages, injuries, costs, expenses, fines, penalties, and claims of any and every kind whatsoever (including, without limitation, court costs and attorneys' fees) which at any time or from time to time may be paid, incurred or suffered by, or asserted against Landlord for, with respect to, or as a direct or indirect result of a breach by Tenant of any of the provisions of this Article 21. "Hazardous Substances" shall mean any waste, material or substance, which is or is deemed by governmental authority to be a pollutant or a contaminant, or which is or is deemed by governmental authority to be hazardous, toxic, ignitable, reactive, corrosive, dangerous, harmful or injurious, or which presents a risk, to public health or to the environment, or which is or may become regulated by or under the authority of any applicable local, state or federal laws, judgments, ordinances, orders, rules, regulations, codes, including, without limitations: (i) petroleum, including but not limited to crude oil or any fraction thereof; (ii) any asbestos or asbestos containing material; and/or (iii) any radioactive material.

To the extent that any toxic, medical, biohazardous or biomedical waste is created or generated in conjunction with the use of the Premises (collectively "Medical Waste"), Tenant shall cause such wastes to be properly disposed of off-site of Shopping Center, at Tenant's sole cost and expense, and in compliance with all applicable laws. In no event shall any Medical Waste be stored (whether temporarily or permanently) or disposed of in the Common Areas or in any dumpsters located at the Shopping Center. Tenant shall obtain and maintain throughout the Term a service contract with a duly licensed medical or biohazardous waste transportation and disposal company of Tenant's choice. Tenant shall provide copies of such service contract to Landlord upon request. Landlord reserves the right to require Tenant to remove such Medical Wastes from the Premises discretely and at such times as determined by Landlord if Landlord receives any complaints from others regarding same. As used herein, "biohazardous waste" and "biomedical waste" shall include any waste that may contain human pathogens, including without limitation, discarded human blood, blood products and body fluids, waste saturated with blood, blood byproducts or body fluids, pathological waste, discarded sharps used in patient care, discarded clinical specimens or cultures and dishes or devices used in connection therewith.

## **ARTICLE 22 CERTAIN RIGHTS RESERVED BY LANDLORD**

Notwithstanding any provision in this Lease to the contrary, Landlord shall have the following rights as herein set forth, exercisable with notice (except as otherwise provided hereinafter) and without liability to Tenant for damage or injury to property, person, or business and without effecting an eviction, constructive or actual, or disturbance of Tenant's use or possession of the Premises or giving rise to any claim for default

set-off or abatement of rent (i) to change the Shopping Center's name or street address; (ii) to construct additional buildings in the Shopping Center or improvements in the building(s) from time-to-time and to make such alterations and/or additions thereto as Landlord may see fit, (iii) to change the sizes, locations, amounts, shapes and arrangements of parking areas and other Common Areas, including the location and relocation of driveways, entrances, exits, parking spaces, the direction and flow of traffic, installation of prohibited areas, landscaped areas and all other facilities thereof; establish and from time to time change the level or grade of parking surfaces; and do and perform such other acts in and to said areas and improvements as Landlord in its reasonable discretion deems advisable for the use thereof by tenants and their customers; (iv) to install, affix, and maintain any and all signs on the exterior of the building(s) (excluding the exterior of the Premises); (v) to show the Premises to prospective tenants at reasonable hours, after notice to Tenant, and to place "for rent" signs, during the last twelve (12) months of the Term, as well as to post at any time "for sale" signs with respect to the Shopping Center without notice to, or approval by, the Tenant; (vi) to approve the weight, size, and location of safes and other heavy equipment and bulky articles in and about the Premises, and to require all such items, including furniture and other similar items, to be moved into or out of the Premises and Shopping Center only at such times and in such manner as Landlord shall direct in writing; (vii) to install, maintain and operate an automatic teller terminal or similar facility on any portion of the Common Areas; and/or (viii) to remove from the definition of "Shopping Center" one or more outlots or other portions of the Shopping Center. Any damages done to the Premises or Shopping Center by taking in or putting out safes, furniture, or other articles, or from overloading the floor in any way, shall be paid by Tenant. Furniture, boxes, merchandise, or other bulky articles shall be transported only upon or by vehicles equipped with rubber tires. Movements of Tenant's property into or out of the Premises and Shopping Center shall be entirely at the risk and responsibility of Tenant and under the control of Landlord. Landlord may enter upon the Premises and may exercise any or all of the foregoing rights hereby reserved without being deemed guilty of an eviction or disturbance of Tenant's use or possession and without being liable in any manner to Tenant.

#### **ARTICLE 23 RULES AND REGULATIONS**

Tenant agrees to observe such rules and reasonable regulations as Landlord, in its continuous or recurring discretion, may from time to time make for the Shopping Center. Any failure by Tenant, its employees, agents, servants, clients, customers, invitees, licensees, and/or guests, to observe and comply with all such reservations, rules, and regulations shall constitute a default under this Lease, subject to the notice and cure provisions of this Lease otherwise applicable to such defaults.

#### **ARTICLE 24 ASSIGNMENT AND SUBLETTING**

Tenant may not assign or encumber its interest in this Lease or in the Premises, or sublease all or any part of the Premises, or allow any other person or entity (except Tenant's authorized representatives) to occupy or use all or any part the Premises, without first obtaining Landlord's prior written consent which shall not be unreasonably withheld or delayed. Any assignment or sublease without Landlord's required prior written consent shall be voidable and, at Landlord's election, shall constitute a Default. Notwithstanding any provision of this Lease to the contrary, Tenant shall not be released from any obligations under this Lease and Tenant remain primarily liable for all obligations and Rent in the event of assignment or sublease. In the event that the Premises are sublet, said sublease shall contain a provision that states that any rent received by Tenant, in excess of the Rent due under the Lease, shall also be due the Landlord as Additional Rent. In no event shall any assignment or sublease permit any violation of the terms of this Lease, nor grant any greater rights than afforded Tenant under this Lease.

#### **ARTICLE 25 NOTICE**

No notices or other communications given under this Lease shall be effective unless the same is in writing and delivered personally or sent by registered or certified U.S. mail, return receipt requested, first class, postage prepaid, or sent by recognized overnight courier and addressed to the respective party at the respective address set forth in Section 1.1 or 1.2 or to such other address as a party shall designate by giving notice to the other party in accordance with this Section. Notice shall be deemed effective on the date

received or refused by the addressee, except notice of change of address which shall only be effective upon receipt.

## ARTICLE 26 CONVEYANCE BY LANDLORD

In the event of any transfer(s) of Landlord's interest in the Premises, the transferor shall be released from all obligations and liabilities under this Lease accruing from and after such transfer, and the transferee shall become liable for all Landlord's obligations and liabilities under this Lease that accrue during the period of such transferee's ownership of the Premises.

## ARTICLE 27 RECORDING

This Lease shall not be recorded. However, a lease memorandum shall be entered upon request by either party, the form of which shall be subject to the reasonable approval of the parties. Either party may record the same at its own expense.

## ARTICLE 28 SIGNAGE

### 28.1 Exterior Wall Sign.

Tenant may install a single wall sign on the external front wall of the Premises at Tenant's sole cost. The exact size, color, design, and placement of such sign shall be subject to Landlord's prior written approval, however, under no circumstances may Tenant's exterior building signage exceed the maximum amount permitted under code without variance and/or limit the square footage available to other tenants. Upon vacating the Premises, the Tenant shall restore the external wall of the Premises to its original condition, at Tenant's cost. Except as provided in this Article 28, no other signs shall be installed or maintained at, on, or about the Premises.

### 28.2 Signs.

Except for customary stickers for credit card acceptance or security that are professionally prepared, Tenant shall not place on any exterior door or window of the Premises any signs or advertising matter.

### 28.3 Exterior Pylon Sign.

Tenant, at Tenant's sole cost and expense, shall be entitled to install one sign panel (a "Panel") identifying the name of Tenant's business on each side of the existing pylon sign ("Pylon") serving the Shopping Center of a size and in a position as determined by Landlord. Tenant shall submit such signage to Landlord for Landlord's review and approval. Tenant shall reimburse Landlord for Tenant's pro rata share of the reasonable costs and expenses incurred in constructing (including the cost to extend electrical service thereto), maintaining, repairing, insuring, replacing, and operating the Pylon, except that the full cost of repair or replacement of Tenant's Panels shall be borne by Tenant. For purposes of this Section 28.3, Tenant's pro rata share shall equal a fraction, the numerator of which is the square footage of Tenant's Panels, and the denominator of which is the square footage of all tenant panels on the Pylon. Tenant acknowledges that it is responsible for the fabrication and installation of Tenant's Panels, and Tenant, at Tenant's sole cost and expense, shall use the contractor designated by Landlord for this purpose.

## ARTICLE 29 MISCELLANEOUS

### 29.1 Binding Effect.

This Lease shall be binding upon and inure to the benefit of the successors and assigns of Landlord, and shall be binding upon and inure to the benefit of Tenant, its successors, and, to the extent subleasing or assignment may be approved by Landlord hereunder, Tenant's sublessees and assigns.

### 29.2 Financial Disclosures.

Within thirty days following each calendar year during the Term, Tenant shall submit to Landlord financial statements certified by an officer of Tenant that accurately reflect all aspects of the

Tenant's operation in accordance with generally accepted accounting principles applied on a consistent basis.

**29.3 Illinois Law Governs.**

This Lease is declared to be an Illinois contract, and all of the terms thereof shall be construed according to the internal laws of the State of Illinois, that is without reference to any conflict provisions. Venue shall only be proper in Winnebago County, Illinois, where the Lease was signed.

**29.4 Headings.**

Landlord and Tenant mutually agree that the headings and captions contained in this Lease are inserted for convenience of reference only, and are not to be deemed part of or to be used in construing this Lease.

**29.5 Severability.**

If any term or provision of this Lease or the application thereof to any person or circumstances shall, to any extent, be invalid or unenforceable, the remainder of this Lease, or the application of such term or provision to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby, and each term of this Lease shall be valid and enforceable to the fullest extent permitted by law.

**29.6 Relationship of Parties.**

Nothing contained herein shall be deemed or construed by the parties hereto, or by any third party, as creating the relationship of principal and agent or of partnership or of joint venture between the parties hereto, it being understood and agreed that neither the method of computation of Rent nor any other provision contained herein, nor any acts of the parties hereto, shall be deemed to create any relationship between the parties hereto other than the relationship of Landlord and Tenant.

**29.7 Rent.**

All amounts due and payable from Tenant under this Lease shall be considered as Rent.

**29.8 Shopping Center Lease.**

Because the Premises are part of an integrated complex involving other tenants, it is the parties' intention that this Lease be deemed a "Shopping Center Lease" within the meaning of the bankruptcy code.

**29.9 Consents and Waivers.**

No consent or waiver, by either party expressed or implied, to or of any breach of any covenant, condition, or duty of the other party shall be construed as a consent or waiver to or of any other breach of the same or any other covenant, condition, or duty. The subsequent acceptance by Landlord of any Rent due, Additional Rent or any other monetary obligation of Tenant under this Lease shall not be a waiver of any preceding breach by Tenant of any term, covenant or condition of this Lease. No term, covenant, or condition of this Lease shall be deemed waived by either party unless such waiver is executed by the party in writing.

**29.10 Remedies Cumulative.**

No remedy herein or otherwise conferred upon or reserved to Landlord shall be considered to exclude or suspend any other remedy, but the same shall be cumulative and shall be in addition to every other remedy given hereunder, or now or hereafter existing at law or in equity or by statute, and every power and remedy given by this Lease to Landlord may be exercised at any time and from time to time and so often as occasion may arise or as may be deemed expedient.

**29.11 Attorneys' Fees.**

In the event of any litigation between the parties arising from or related to this Lease, Tenant shall pay all reasonable fees, cost and expenses incurred by Landlord in such proceeding, including without limitation, reasonable attorneys' fees and expenses.

**29.12 Late Charge; Interest.**

If any sums required hereunder to be paid are not received by Landlord on or before the date the same are due, then, Tenant shall immediately pay, as Additional Rent, a service charge equal to the greater of Two Hundred Dollars or ten percent of the past due sum to defray the administrative costs incurred by Landlord in connection with such late payment. In addition, interest shall accrue on all past due sums at an annual rate (the "Default Rate") equal to the greater of one percent per month, or three percent in excess of the prime rate of interest published from time to time by the Wall Street Journal, or if no longer published, by a similar publication selected by Landlord, but not in excess of the maximum legal rate. Such interest shall also be deemed Additional Rent. **SECTION III – BACKGROUND, PURPOSE OF THE PROJECT, AND ALTERNATIVES -  
INFORMATION REQUIREMENTS**  
BACKGROUND OF THE APPLICANT

The Applicants are fit, willing and able, and have the qualifications, background and character to adequately provide a proper standard of health care services for the community. This project is for the establishment of Dialysis Care Center Rockford, 12-station in-center hemodialysis facility to be located at 657 Highgrove Place Rd, Rockford, IL, 61108.

At this time, neither Dialysis Care Center Rockford nor Dialysis Care Center Holdings have any operational ESRD in-center hemodialysis facilities in the State of Illinois.

Dialysis Care Center Rockford and Dialysis Care Center Holdings is 100% physician owned and operated. The two physicians below equally own the entities.

1. Morufu Alausa M.D.
2. Sameer M. Shafi M.D.

Both aforementioned physicians have earned recognition with America's Best Physicians for their excellence in providing care for ESRD patients and innovative contributions to the nephrology community overall.

Dialysis Care Center focuses on a 360-degree approach to improving patient health outcomes and providing a medical home for ESRD patients. Included in this care approach is an emphasis on one-on-one attention from our qualified medical staff and a cutting-edge educational program, known as Staff Enhanced Hemodialysis (SEH).

One-on-one attention from our CCHT and BONENT certified technicians and experienced dialysis nurses is achieved through maintaining facilities that have a lower number of stations. Such facilities create an environment for our medical staff to adequately and efficiently monitor patients throughout the entire hemodialysis treatment process. Additionally, such an atmosphere facilitates the creation of quality patient-provider relationships, contributing to construction of a medical home for ESRD patients.

Our continuing educational program, SEH, gives our medical staff, namely, our Clinical Certified Hemodialysis Technicians (CCHTs), more opportunity to connect with patients who visit our facilities for treatment. The program, which covers topics such as fluid management, vascular access management, anemia management, depression, dialysis adequacy and nutrition, is facilitated by our CCHTs, further allowing them to create these meaningful, improved outcome-driving relationships. Of course, this program also empowers patients with critical knowledge to help them better manage of their health, thus reducing hospitalizations and morbidity and mortality.

With ESRD being the fastest growing cause of hospitalizations and the fifth leading cause of hospital readmissions, our care model additionally has carefully built-in patient interventions to reduce hospitalizations overall. Dialysis Care Center has been recognized by surrounding local hospitals in providing an excellent continuum of care to patients.

Dialysis Care Center provides:

- multiple physician visits within 30 days post-hospitalization,
- 100% medication reconciliation upon hospital discharge,
- renowned and open communication between our nursing/medical staff and hospital discharge planners,
- continuation of antibiotics and other hospital infusive therapies.

The addition of such interventions in Dialysis Care Center's in-center hemodialysis program have been shown to contribute to a strong, consistent, and community-based continuum of care.

Consistency is also implemented internally at Dialysis Care Center, using Clarity, an electronic health record (EHR) created specifically for dialysis clinics. Clarity allows all our medical staff an open line of communication regarding real-time progress to efficiently address patient needs.

### **SECTION III – BACKGROUND, PURPOSE OF THE PROJECT, AND ALTERNATIVES - INFORMATION REQUIREMENTS**

#### **Purpose of the project**

The purpose of this project is to create additional life-sustaining dialysis accessibility to the large, growing population of ESRD patients in the HSA 1 market area specifically Rockford and Winnebago County residents.

The sole provider of dialysis in Rockford, IL is DaVita Dialysis. Specifically considering the location we are proposing in central Rockford, there are no providers other than DaVita within a 30-minute drive. This monopoly in the Rockford area prevents dialysis-dependent individuals any agency in their healthcare. As most patients spend 12 hours per week on average dialyzing in-center, this restriction is significant as it denies patients a choice in where they are receiving treatment that will determine their quality and longevity of life. To allow this monopoly to continue in the Rockford area will negatively affect the health and wellness of this community.

The addition of Dialysis Care Center Rockford will grant patients the liberty to make choices about their care, and, ultimately, their health outcomes. The choice to change providers is one seen frequently within healthcare, dialysis treatment included. The decision to change dialysis providers of course comes from a variety of reasons which can include discomfort with provider treatment methods, disapproval of facilities used, a poor treatment experience, etc. Every patient's needs and preferences are different, so restraining their ability to find a treatment center that can meet their individual needs infringes on their comfort, outcomes, and independence.

As of September 27, 2017, the Illinois State Board has determined that there is an excess of 3 stations in HSA 1. However, to be proactive rather than reactive, we believe an additional ESRD facility would provide significant benefit to the health of this community, and break this monopoly that DaVita has in the area. The proposed facility would provide 12 stations needed (including 1 isolation station) to accommodate ESRD patients. Dialysis Care Center Rockford would be providing quality, patient-centered healthcare and education to patients using our facility.

It is our priority that every patient concern is addressed and resolved in a timely fashion. The complete physician ownership of our organization allows that our physicians have total independence to make crucial clinical decisions that maximize positive patient outcomes. Our organization recognizes that patient outcomes and satisfaction are the building blocks of successful healthcare, which is why we require that quality of care is our first priority over profitability concerns.

The addition of Dialysis Care Center Rockford in this community will provide additional treatment options for patients in the specific market area, as well as for patients in Winnebago County overall, and other surrounding cities. The market area to be served by the applicant is approximately within a 20-mile radius of the proposed facility location.

As of 2010, the total population of Winnebago County was 295,266 while the population of the City of Rockford was 152,871. Historically, these areas have seen a tremendous and concerning growth of ESRD patients, as indicated by the very high utilization of most ESRD facilities in the surrounding area. This project will aid in addressing the clear and crucial needs of this community for hemodialysis treatment options.

It is an established criterion for patients who require chronic dialysis treatments to have convenient and adequate access to services, as these conditions result in fewer health complications for patients and reduce healthcare costs to patients and payers alike. The new in-center clinic, Dialysis Care Center Rockford, will allow patients increased access to dialysis services within a reasonable travel distances from home, while avoiding significant highway travel.

It is expected that Dialysis Care Center Rockford, once operational, will meet and possibly exceed clinical outcome expectations set by the Renal Network and the Centers for Medicare and Medicaid Services. Such expectations address Kt/V Dialysis Adequacy, Access Type, the Standardized Transfusion Ratio (STrR) and Hypercalcemia.

SECTION III – BACKGROUND, PURPOSE OF THE PROJECT, AND ALTERNATIVES - INFORMATION REQUIREMENTS

**Alternatives to the project**

We have considered three options prior to determining the establishment of a 12-station dialysis facility

1. Increasing or reducing the scope and size of the project
2. Pursuing a joint venture for the establishment of a new facility
3. Using existing facilities

After exploring these options, which are discussed in more detail below, we determined to establish a 12-station dialysis facility. Discussed is a review of each of the options considered and the reasons they were rejected.

Proposing a project of greater or lesser scope and cost.

The only option other than what was proposed in the application, would entail a lesser scope and cost than the project proposed in this application would be to do nothing, which was considered. **This option, however, does not address the overutilization of current stations in Rockford, IL.** To do nothing would cause existing area facilities to reach or exceed capacity as patient access declines in this HSA defined zone. There is no cost to this alternative.

The proposed facility that is identified for Dialysis Care Center Rockford is a shell ready facility. By using this site, the costs associated with this project are significantly lower compared to other ESRD projects brought to the board. This cost-effective method will ensure the need for the additional stations are met with a reduced cost for the facility.

Pursing a joint venture or similar arrangement with one or more providers or entities to meet all or portion of the projects intended purposes; developing alternative settings to meet all or a portion of the projects intended purposes.

The ownership of this facility is structured so later on if there was the desire to form a joint venture with additional physicians, a partner would be able to invest in the facility. This facility is and will be owned 100% owned and operated directly by the physicians working in the area.

Physician owned and managed compared to corporate owned facilities.

There are currently no solely physician owned ESRD facilities in the area. The Medical Director and the physician partners identified that will refer their ESRD patients to Dialysis Care Center Rockford have no current options where they can refer their patients in which they have the independence they need to make quality clinical decisions and can focus on maximizing patient care.

Utilizing other health care resources that are available to serve all or portion of the population proposed to be served by the project.

Utilizing other health care ESRD facilities was considered but there is no alternative. As mentioned there are no physician-owned ESRD facilities in the area where the physicians have the independence they need to improve the quality indicators set by the Board's criteria on quality. It is expected that the facility will exceed the clinical outcomes that meet all network, Centers for Medicare and Medicaid Services clinical goals established.

Reasons why the chosen alternatives were selected.

The project utilizes space that will be leased, as opposed to building a new facility from ground up. The cost of the proposed project is a fraction of the cost of developing a new facility. We expect to spend less than the average in renovation costs on a space of 5,350 sq. ft. Beyond that, the only additional cost would be to provide the equipment needed to provide dialysis services. We believe that this is a very substantial cost-effective alternative that will meet the need.

This we believe is the most efficient long-term solution to maintaining access to dialysis services in the Rockford area, and to accommodate the need of the growing population in HSA 1.

We believe that the proposed project meets the HFPB goals of providing health care services in the most cost effective manner.

Empirical evidence, including quantified outcome data that verifies improved quality of care, as available.

There is no direct empirical evidence relating to this project other than that when chronic care patients have adequate access to services, it tends to reduce overall healthcare costs and results in less complications. It is expected that this facility will exceed the quality expectations set by the Board.

**SECTION IV. PROJECT SCOPE, UTILIZATION, AND UNFINISHED/SHELL SPACE**  
**Size of Project**

As seen in the chart below, the state standard is 450-650 gross square feet per dialysis station for a total of 5,400-7,800 gross square feet for 12 stations. The project is being accomplished in leased space within the state guidelines, at 446 DGSF per station. The total proposed gross square footage of the clinical space of the proposed Dialysis Care Center Rockford is 5,350 of contiguous rentable square feet or 446GSF per station. Accordingly, the proposed facility meets the State standard per station.

**SECTION IV. PROJECT SCOPE, UTILIZATION, AND UNFINISHED/SHELL SPACE**  
**Project Service Utilization**

Our Nephrologists have identified 70 pre-ESRD patients (a total of 94 patients before accounting for a 25% patient loss prior to dialysis commencement) with lab values indicative of active kidney failure who live in HSA 1, in Rockford, and in surrounding areas. These individuals are expected to require dialysis services in the first two years after the Dialysis Care Center Rockford facility begins operations.

## **SECTION VI. SERVICE SPECIFIC REVIEW CRITERIA**

In-Center Hemodialysis

Criterion 1110.1430(b)(1), Planning area need

Dialysis Care Center Rockford will be located in HSA 1, The sole provider of dialysis in Rockford, IL is DaVita Dialysis. Specifically considering the location we are proposing in central Rockford, there are no providers other than DaVita within a 30-minute drive. This monopoly in the Rockford area prevents dialysis-dependent individuals any agency in their healthcare. As most patients spend 12 hours per week on average dialyzing in-center, this restriction is significant as it denies patients a choice in where they are receiving treatment that will determine their quality and longevity of life. To allow this monopoly to continue in the Rockford area will negatively affect the health and wellness of this community.

The addition of Dialysis Care Center Rockford will grant patients the liberty to make choices about their care, and, ultimately, their health outcomes. The choice to change providers is one seen frequently within healthcare, dialysis treatment included. The decision to change dialysis providers of course comes from a variety of reasons which can include discomfort with provider treatment methods, disapproval of facilities used, a poor treatment experience, etc. Every patient's needs and preferences are different, so restraining their ability to find a treatment center that can meet their individual needs infringes on their comfort, outcomes, and independence.

## **SECTION VI. SERVICE SPECIFIC REVIEW CRITERIA**

In-Center Hemodialysis

Service to Planning area residents

The primary purpose of this project is to ensure that the ESRD patient population of the greater Rockford area, market area, and planning area of HSA 1 has access to life sustaining dialysis and have dialysis options.

We anticipate that well over 90% of Dialysis Care Center Rockford will be residents of the planning area HSA 1.

## **SECTION VI. SERVICE SPECIFIC REVIEW CRITERIA**

In-Center Hemodialysis

Service Demand- Establishment of Category of services

The most recent available Illinois Department of Public Health ESRD data, dated September 27, 2017, shows that Rockford has currently only has DaVita operated facilities. This is a dialysis monopoly

As shown in our Medical Director's referral letter and other estimates made by Nephrologists practicing in the Rockford area, our physicians anticipate approximately 70 patients conservatively, based upon attrition due to patient death, transplant, of return of function, will be referred to the proposed facility in the next 12 to 24 months.

All of these patients reside within 30 minutes or 20 miles of the proposed facility.

#### **Planning area need – Service Accessibility**

As set forth throughout this application, the proposed ESRD facility is needed to maintain access to life-sustaining dialysis for patients in the greater Rockford area. Dialysis Care Center Rockford is necessary to provide essential care to ESRD patients in the community. This facility will better accommodate the current and future demand for dialysis services and ensure dialysis services are accessible to the greater Rockford Community and HSA 1 area.

**Section VII. Service Specific Review Criteria**

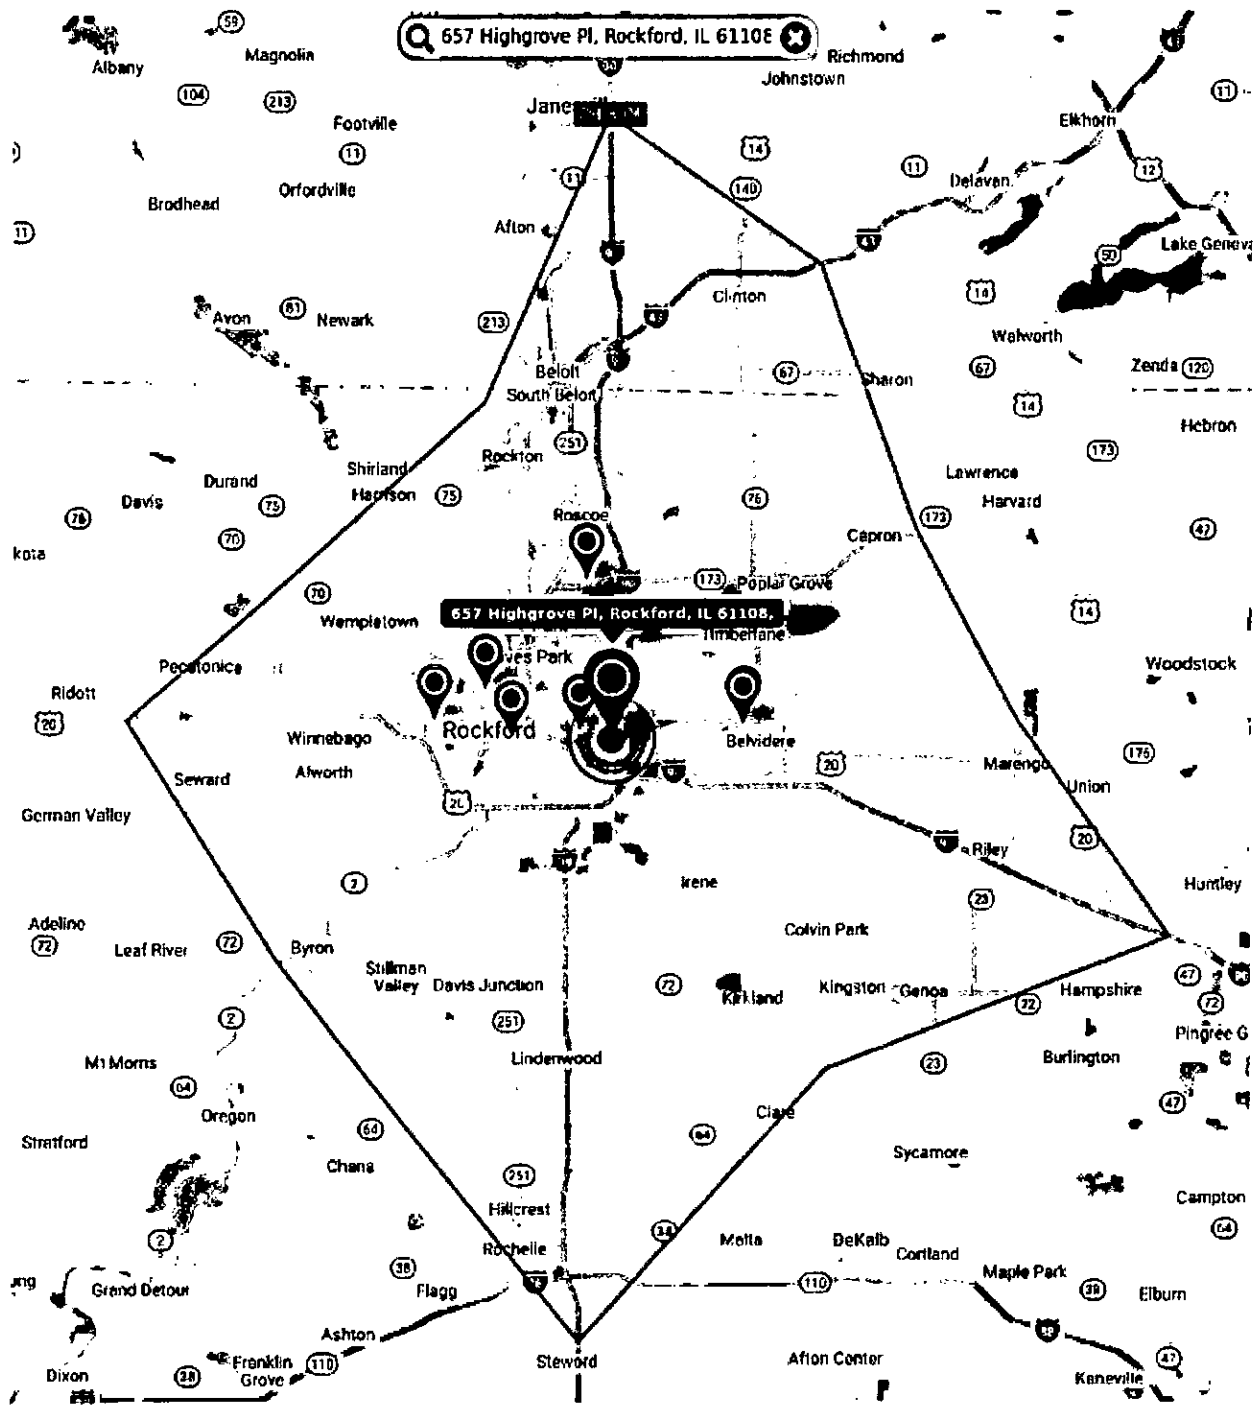

In-Center Hemodialysis

**Criterion 1110.1430(C) (2), Misdistribution**

The establishment of Dialysis Care Center Rockford will not result in an unnecessary duplication of services or a service misdistribution. A misdistribution exists when an identified area has an excess supply of facilities, stations, and services characterized by such factors as, but not limited to: (1) ratio of stations to population exceeds one and one-half times the state average; (2) historical utilization for existing facilities and services is below the State Boards utilization standard; or (3) insufficient population to provide the volume of caseload necessary to utilize the services proposed by the project at or above utilization standards. As discussed more extensively below, the ratio of stations to population in the geographic area is above of the state average, and the average utilization of existing facilities within the geographic service area is more than 82%. Notably, average utilization of facilities within 30 minutes of the proposed site is about 70%. Sufficient population exists to achieve target utilization in the future.

Accordingly, the proposed dialysis facility will not result in a misdistribution of services.

Attachment-24

**Section VII. Service Specific Review Criteria**

In-Center Hemodialysis

**Criterion 1110.1430(C) (3), Impact of project on other Area Providers**

The proposed dialysis facility will not have an adverse impact on existing facilities in the proposed geographic service area. All of the identified patients will be referrals from identified physicians and are on pre-ESRD list. No patients will be transferred from other existing dialysis facilities.

The proposed dialysis facility will not lower utilization of other area providers that are operating below the target utilization standard.

Landlord shall deliver the Premises to Tenant with Landlord's Work substantially complete.

Landlord hereby leases to Tenant, and Tenant hereby leases from Landlord, upon the terms and conditions of this Lease, those certain premises depicted as the "Premises" on the site plan attached hereto as Exhibit A (the "Site Plan") and containing approximately the number of square feet set out in Section 1.4 (the "Premises") located in the Shopping Center (as defined below). The "Shopping Center" shall mean the real property legally described on Exhibit B and all improvements situated thereon from time to time. The square footage of the Premises shall be measured from the outside face of exterior demising walls and to the middle of interior demising walls, and shall include the totality of the area within such boundaries. The certificate of Landlord's architect shall be binding on the parties. If the square footage of the Premises, as determined by Landlord's architect, differs from the square footage set forth in Section 1.4, the Annual Base Rent set forth in Section 1.8 shall be adjusted by multiplying the square footage of the Premises as determined by Landlord's architect by the Annual Base Rent per square foot of Premises as set forth in Section 1.8 (and Monthly Base Rent shall be adjusted based thereon). No rights are conferred on Tenant, and Landlord specifically excepts and reserves to itself all rights to the land and improvements below the floor level of the Premises, the rights above the Premises, and improvements located on and within the Common Areas (as defined below), unless otherwise expressly provided in this Lease. Notwithstanding any provision in this Lease to the contrary, Tenant agrees that water meters, sprinkler controls, electric panels, pipes, wires, lines, service disconnects, and other minor building components for Common Areas and/or other tenants may be located in the Premises, that the presence of same shall not reduce the square footage of the Premises, and Tenant hereby grants Landlord, other tenants, utility employees, and any governmental entity an easement for repairing, replacing and maintaining same.

**ARTICLE 3 TERM**

This Lease shall be effective on the Effective Date. The Term of this Lease shall commence on the Commencement Date and shall expire on the last day of the Term. "Lease Year" means a period of twelve (12) consecutive full calendar months, and the first Lease Year shall commence on the Commencement Date; provided, however, if the Commencement Date is a day other than the first day of the month, then the first Lease Year shall commence on the Commencement Date and shall end on the last day of the twelfth (12<sup>th</sup>) full calendar month following the last day of the month in which the Commencement Date occurs. Subsequent Lease Years shall be each consecutive twelve (12) full calendar

month period thereafter. Upon Landlord's written request, Tenant shall enter into a supplemental agreement in the form attached hereto as Exhibit C prepared by Landlord which affirms the Commencement Date, the first and last day of the first Lease Year, and the last day of the Term. If Landlord delivers the Premises to Tenant prior to the Commencement Date, Tenant's use and occupancy of the Premises shall be subject to all of the terms and provisions of this Lease (except Base Rent and Tenant's Proportionate Share of Real Estate Taxes shall commence when provided in Section 1.7 of this Lease).

## ARTICLE 4 RENT

### 4.1 Base Rent.

Commencing on the Commencement Date and continuing during the entire Term, Tenant shall pay to Landlord at the office of Landlord as set forth in Section 1.1 or such other place or places as Landlord may designate in writing from time to time, Annual Base Rent in the amounts set forth in Section 1.8, in twelve (12) equal monthly installments of Monthly Base Rent, each in advance as of the first day of each and every calendar month during the Term. If the Commencement Date is not the first day of a calendar month, then Monthly Base Rent shall be prorated on a daily basis on the basis of a thirty day month. Annual Base Rent shall be payable without demand, deduction, setoff or counterclaim. Annual Base Rent for any Lease Year that is greater or less than three hundred sixty-five (365) days (three hundred sixty six (366) days for a leap year) shall be prorated based on a calendar year of three hundred sixty-five (365) days (three hundred sixty six (366) days for a leap year), and calculated by multiplying the applicable Annual Base Rent by a fraction, the numerator of which is the number of days in such Lease Year and the denominator of which is three hundred sixty-five (365) days (three hundred sixty six (366) days for a leap year).

### 4.5 Additional Rent.

All amounts due Landlord from Tenant pursuant to this Lease other than Base Rent shall be additional rent ("Additional Rent"). Base Rent and Additional Rent are sometimes referred to herein as "Rent". Additional Rent shall be payable without demand, deduction, set-off or counterclaim whatsoever.

Commencing on the Commencement Date and continuing during the entire Term, Tenant shall pay to Landlord, as Additional Rent, Tenant's Proportionate Share of the amount ("Tax Increase"), if any, by which Real Estate Taxes that are payable during each calendar year wholly or partially within the Term exceed Real Estate Taxes that are payable during the Base Year (prorated for any partial calendar year within the Term). If Real Estate Taxes for any calendar year are less than the amount of Real Estate Taxes for the Base Year, then Tenant's Proportionate Share of Real Estate Taxes for that calendar year shall be \$0.00. The Base Year is calendar year 2017. "Tenant's Proportionate Share" shall mean the fraction, the numerator of which is the square footage of the Premises and the denominator of which is the leasable square footage of the Shopping Center for the applicable billing period.

"Real Estate Taxes" shall include all taxes, assessments and impositions, general and special, ordinary and extraordinary, real and/or personal, foreseen and unforeseen, including assessments for public improvements and betterments, that are payable wholly or partially within the Term with respect to all land and improvements from time to time comprising the Shopping Center and/or imposed in connection with the use, occupancy or possession thereof; water and sewer rents; and other governmental impositions and charges of every kind in nature whatsoever; any tax or surcharge of any kind or nature with respect to the parking areas or the number of parking spaces in the Shopping Center and, if applicable, any tax on rents and receipts. Real Estate Taxes shall also include all reasonable costs and expenses, including without limitation, reasonable attorney's fees, incurred by Landlord in contesting, appealing and/or negotiating with public authorities to reduce the amount of Real Estate Taxes and/or the assessed valuation of the

Shopping Center. If, because of any change in the taxation of real estate, any other tax, imposition or assessment (including without limitation, any franchise, income, profit, sales, use, occupancy, gross receipts or rental tax) is imposed on Landlord as the owner of the Shopping Center, or on the occupancy, rents or income from the foregoing, in substitution for any taxes, such other tax or assessment will be deemed part of Real Estate Taxes.

#### **4.6 Estimated Monthly Payments of Additional Rent.**

Commencing on the Commencement Date and continuing during the entire Term, Tenant shall pay Landlord, on or before the first day of each calendar month during the Term, one twelfth (1/12th) of Tenant's Proportionate Share of the Tax Increase for the current calendar year as estimated by Landlord from time to time. Said monthly payments shall be based upon reasonable cost projections of Landlord (a copy of which projections shall be furnished to Tenant upon request therefor), subject to Landlord's absolute right to increase from time to time such monthly payment whenever such payments, in Landlord's reasonable estimation, will be insufficient to cover Tenant's Proportionate Share of the Tax Increase.

Within one hundred twenty (120) days following the end of each calendar year, Landlord shall furnish Tenant with a written reconciliation statement confirming Tenant's Proportionate Share of the Tax Increase. If the estimated payments by Tenant total less than the actual amount of Tenant's Proportionate Share for such calendar year, then Tenant shall pay the amount of such deficiency to Landlord within ten (10) days of Tenant's receipt of such written statement. If the estimated payments by Tenant exceed the actual amount of Tenant's Proportionate Share for such calendar year, such excess shall be credited against the payments of Additional Rent next due hereunder, or if no payments are remaining due as a result of the expiration of the Term, such excess shall be refunded to Tenant by Landlord within thirty (30) days of issuance of Landlord's written statement. Each party's obligations hereunder shall survive the expiration of this Lease. If Tenant does not deliver written notice to Landlord disputing Landlord's reconciliation statement for any calendar year within ninety days of Tenant's receipt of such statement, such reconciliation statement for such calendar year shall be deemed final and accepted by Tenant and Tenant shall be deemed to have waived all right to dispute such statement.

#### **4.7 Sales Reporting.**

Intentionally Omitted.

#### **4.6 Continuous Operation.**

Tenant agrees that it will keep its place of business in the Premises fully fixtured, stocked, staffed, and open continuously during the Term of this Lease on all days and from at least 10:00 a.m. until 5:00 p.m. Monday through Friday.

### **ARTICLE 5 CONDITION OF THE PREMISES**

#### **5.1 Landlord's Work.**

Landlord, at Landlord expense, shall construct the improvements to the Premises described on **Exhibit F** ("Landlord's Work").

**EXCEPT AS TO LANDLORD'S WORK, NOTWITHSTANDING ANY PROVISION IN THIS LEASE TO THE CONTRARY, THE PREMISES ARE BEING LEASED "AS IS" AND "WITH ALL FAULTS", AND LANDLORD HAS NOT MADE, DOES NOT MAKE, AND EXPRESSLY DISCLAIMS, ANY REPRESENTATIONS AND WARRANTIES OF ANY KIND, EXPRESS, IMPLIED OR ARISING BY LAW, WITH RESPECT TO THE PREMISES, INCLUDING WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, ANY REPRESENTATIONS OR WARRANTIES, EXPRESS, IMPLIED OR**

**ARISING BY LAW, AS TO THE HABITABILITY, MERCHANTABILITY, MARKETABILITY, OR FITNESS, SUITABILITY OR ADEQUACY OF THE PREMISES FOR ANY INTENDED PURPOSE. EXCEPT AS EXPRESSLY SET FORTH IN THIS LEASE, NO REPRESENTATION, WARRANTY OR AGREEMENT OF LANDLORD TO ALTER, REMODEL, OR DECORATE THE PREMISES OR SHOPPING CENTER, AND NO REPRESENTATION, WARRANTY, OR AGREEMENT REGARDING THE PREMISES OR SHOPPING CENTER HAS BEEN MADE BY OR ON BEHALF OF LANDLORD.**

**5.2 Tenant's Work.**

All work necessary for the purpose of constructing Tenant's leasehold improvements shall be performed by Tenant at Tenant's sole cost and expense ("Tenant's Work"). Prior to commencing Tenant's Work, Tenant shall obtain Landlord's written approval of the plans and specifications for Tenants Work, such approval not to be unreasonably withheld. Tenant warrants that Tenant's Work shall be completed in a good and workmanlike manner in compliance with all laws, regulations, codes, and rules of applicable governmental authorities, including the Americans with Disabilities Act, at Tenant's sole cost and expense, and Tenant shall take, at Tenant's sole cost and expense, any and all actions to keep Tenant's Work in full compliance with all laws, regulations, codes, and rules of applicable governmental authorities. All Tenant's Work and additions and alterations to the Premises made during the Term of this Lease shall be the property of Tenant, but shall become property of Landlord upon the expiration or termination of this Lease, without cost to Landlord. Notwithstanding any provision in this Lease to the contrary, Tenant shall be responsible at its sole cost and expense for all furniture, fixtures, I.T., and RO systems and all other specialty water systems.

**ARTICLE 6 ALTERATIONS**

Tenant shall not make any interior, nonstructural alterations, installations, improvements or additions to the Premises, other than painting without prior written consent of Landlord. Tenant shall not make any exterior or structural alterations, installations, improvements or additions to the Premises. All work shall be done at Tenant's sole cost and in a good and workmanlike manner. Tenant shall promptly furnish to Landlord satisfactory sworn statements and final lien waivers (all tiers) for all work performed by or on behalf of Tenant. Except as to trade fixtures and removable personal property installed by Tenant, which Tenant shall remove at the expiration or termination of this Lease, and for which Tenant shall repair all improvements damaged thereby, all alterations, installations, improvements and additions (whether temporary or permanent) shall be the property of Tenant, but shall become Landlord's property and shall remain upon the Premises at the termination or expiration of this Lease without compensation to Tenant. All construction work performed at Tenant's request shall be done by contractors and subcontractors who have worker's compensation and employer's liability insurance in statutory amounts; with reputable companies licensed to do business in the State of Illinois; and showing Landlord and Landlord's lender(s) as additional insureds. In addition, all such contractors and subcontractors shall have general public liability insurance coverage consistent with the specifications required of Tenant under this Lease. Evidence of said insurance shall be provided Landlord before construction. No roof penetrations shall be made without the written consent of Landlord, and then only by Landlord's roof contractor at Tenant's expense so there is no violation of any roof warranties.

**ARTICLE 7 COVENANT AGAINST LIENS**

Nothing contained in this Lease shall authorize Tenant to do any act which shall in any way encumber Landlord's title to the Premises or Shopping Center, nor in any way subject Landlord's title to any claims by way of lien or encumbrance whether claimed by operation of law or by virtue of any expressed or implied contract of Tenant, and any claim to a lien upon the Premises or Shopping Center arising from any act or omission of Tenant shall attach only against Tenant's interest and shall in all respects be subordinate to Landlord's title to the Premises and Shopping Center. If Tenant has not removed any such lien or encumbrance, or furnished Landlord reasonably sufficient bond therefore, within thirty (30) days after

written notice to Tenant by Landlord (or such shorter period as indicated by Landlord if during the pendency of a sale or refinance), Landlord may pay the amount without being responsible for making any investigation as to the validity thereof, and the amount so paid shall be due and payable as Additional Rent.

## **ARTICLE 8 COMMON AREAS**

"Common Areas" means the interior and exterior areas and facilities within the Shopping Center, which are: (i) not leased to a tenant, or (ii) by nature not leasable to a tenant for the purpose of the sale of merchandise or the rendition of services to the general public. Common Areas shall include but shall not be limited to all parking areas and facilities, roadways, driveways, entrances and exits, truck service ways and tunnels, curbs, gutters, utilities, water filtration and treatment facilities, retention ponds, basins and/or facilities located within or outside the Shopping Center, retaining and exterior walls, sidewalks, open and enclosed malls, outside courts, landscaped and planted areas, escalators, stairways, elevators, service corridors, service areas, loading docks, hallways, public restrooms, community rooms or areas, roofs, roof drainage systems, exterior walls, equipment, signs, and any special services provided by Landlord for the common or joint use and benefit of all tenants or other occupants of the Shopping Center, their employees, customers and invitees. Landlord shall maintain the Common Areas in a manner as Landlord, in its sole discretion, shall determine from time to time. Tenant shall have the non-exclusive right to use the portions of the Common Areas consisting of the sidewalks, customer parking areas, the entrance and exit ways designated by Landlord for ingress and egress to and from the Premises from a public street or highway, in common with all others entitled or permitted by Landlord to use the same, at all times subject to the exclusive control and management of Landlord.

## **ARTICLE 9 DAMAGE OR DESTRUCTION BY FIRE OR CASUALTY**

### **9.1 Restoration.**

Except as set out in Section 9.2, if the Premises are damaged or destroyed by fire or other casualty, Landlord shall, at its expense, and subject to Landlord's mortgagee(s) making available insurance proceeds to fund the same, repair and restore the portion of the Premises which originally constituted Landlord's Work so as to be substantially the same as prior to such damage or destruction. Any insurance proceeds remaining following the restoration by Landlord described in this Section shall be paid as directed by Landlord's lender. Landlord shall begin such repairs or restoration within six (6) months from the date of such fire or other casualty and shall complete said repairs or restoration within twelve (12) months from said date. Landlord shall notify Tenant in writing of the date by which repairs to or replacement of the Premises is to commence, and the estimated date of completion and shall diligently pursue such repairs or restoration to final completion. The date by which Landlord is to begin and complete said repairs or restoration shall be deferred for a period equal to any delay caused by reason of labor controversy, act of God, fire, or other casualty, governmental regulations, insurance adjustment, failure of Landlord's mortgagee(s) to authorize the release of insurance proceeds for funding the repairs or restoration, or other cause beyond the reasonable control of Landlord, provided Landlord has from time to time in writing kept Tenant fully advised of such delays and the cause therefore. Promptly following Landlord's restoration, Tenant shall commence and diligently pursue restoration of the work which originally constituted Tenant's Work, as subsequently modified by approved alterations, all of which work shall be subject to Article 6.

### **9.5 Last Two Years.**

If the Premises are damaged or destroyed by fire or other casualty during the last two (2) Lease Years of the Term and the cost of repairing or restoring said Premises as required by Section 9.1 herein will exceed twice the Base Rent per Lease Year, then Landlord shall have the option to terminate this Lease without fault on thirty (30) days' notice to Tenant to be given within sixty (60) days of the casualty.

**9.6 Rent Abatement.**

If such damage or destruction to the Premises results in the complete suspension of business in the Premises, all rents and other charges payable by Tenant hereunder shall abate from the date of such suspension of business until the completion of said repairs or restoration; and if such damage or destruction or the work of repairing or restoring said improvements results in only a partial suspension of business, the abatement shall be apportioned accordingly on the basis of the floor area rendered untenable.

**9.7 Failure to Restore.**

If Landlord fails to begin or complete the repairs or restoration of the Premises, within the times and in the manner provided for in this Article 9, then provided Tenant has given Landlord thirty (30) business days' prior notice and the right to cure said default, Tenant may, as its sole remedy, terminate this Lease by notice in writing to Landlord at any time prior to said beginning or completion, as the case may be.

**ARTICLE 10 INSURANCE**

**10.4 Landlord's Obligations**

Landlord agrees to purchase and keep in force and effect property insurance on the buildings in the Shopping Center with coverage for perils covered under a "Causes of Loss-Special Form" policy, as such coverage is from time to time available, in an amount not less than ninety percent (90%) of the full replacement cost. Landlord may, in its sole discretion, purchase business income, rent or rental value insurance, in amounts determined by Landlord, against loss of rent due to fire or other casualties, including an extended coverage endorsement and other endorsements. Such Landlord's insurance shall be subject to reasonable deductible levels as determined by Landlord. Landlord agrees to purchase and keep in force and effect commercial general liability insurance on the Shopping Center with limits of not less than \$2,000,000.00 for any one occurrence and \$2,000,000.00 aggregate, which may be satisfied by one or more policies, including umbrella or excess policies or otherwise. Landlord may obtain and/or maintain umbrella, excess, and/or business interruption policies, endorsements and/or coverages, and such other policies, endorsements, and/or coverages, as determined by Landlord from time to time. Any increase in the premiums for any insurance maintained by Landlord in connection with the Shopping Center (whether or not required hereunder) which is attributable to Tenant's use of the Premises for unusual purposes or hours may be allocated by Landlord exclusively to Tenant. Landlord's obligation to carry insurance under this Section may be satisfied by coverage under one or more primary, umbrella and/or excess liability policies.

**10.5 Tenant's Obligations**

Tenant, at Tenant's sole cost and expense, shall obtain and maintain for the Term of this Lease, insurance policies providing the following coverages: (i) commercial general liability insurance with respect to the Premises and Tenant's operations, which policy is to be in the minimum amount of Two Million Dollars (\$2,000,000.00) for any one occurrence and in the minimum amount of Two Million Dollars (\$2,000,000.00) aggregate, and in the minimum amount of Three Hundred Thousand Dollars (\$300,000.00) with respect to property damage, and shall include contractual liability coverage, (ii) Tenant's fixtures, equipment, furnishings, merchandise and other contents in the Premises, with coverage for perils as set forth under a "Causes of Loss - Special Form" policy, for the full replacement cost of said items, (iii) business income insurance with minimum coverage equal to at least one full year of Base Rent, (iv) plate glass insurance, (v) product liability insurance for merchandise offered for sale or rental from the Premises, including (if this Lease covers Premises in which food and/or beverages are sold and/or consumed) liquor liability coverage (if applicable to Tenant's business) and coverage for liability arising out of the consumption of food and/or alcoholic beverages on or obtained at the Premises, of not less than Two Million Dollars (\$2,000,000.00) per occurrence; (vi) comprehensive automobile liability

insurance covering all owned, non-owned, and hired vehicles and having a minimum limit of at least \$1,000,000.00, and (vii) workers' compensation coverage as required by law. The minimum limits hereinbefore set forth may, at Landlord's option, be increased from time to time. Tenant shall deliver to Landlord certificates of insurance, or certified copies of each such policy prior to occupancy of the Premises. Neither the issuance of any insurance policy required hereunder, nor the minimum limits specified herein with respect to Tenant's insurance coverage, shall be deemed to limit or restrict in any way Tenant's liability arising under or out of this Lease. With respect to each and every one of the insurance policies herein required to be procured by Tenant, on or before the commencement of Tenant's Work and before any such insurance policy shall expire, and from time to time upon Landlord's request, Tenant shall deliver to Landlord a copy of each such policy or a certificate of the insurer, certifying that such policy has been issued, providing the coverage required of Tenant under this Lease and containing provisions specified herein, together with such endorsements and/or copies of such policies evidencing the same, and evidence of payment of all applicable premiums. Landlord shall be notified in writing promptly by Tenant of any non-renewal, cancellation or material changes to any policy. Landlord shall be notified in writing promptly by Tenant of claims against Tenant that might cause a reduction below seventy-five percent of any aggregate limit of any policy. Tenant agrees that if Tenant does not procure and maintain the insurance policies and coverages required under this Lease, Landlord may, but shall not be required to, obtain such insurance on Tenant's behalf and charge Tenant the premiums therefor together with a fifteen percent handling charge, payable upon demand. The failure of Tenant to provide such certificates of insurance, or the failure of Tenant to obtain such policies, shall not be deemed a waiver of Tenant's obligation to provide the insurance required under this Lease.

The policies described in this Section 10.2 shall: (i) be acceptable to Landlord in form and content, (ii) name Landlord, Landlord's Mortgagee, the manager of the Premises, the respective shareholders, members, managers, partners, affiliates and subsidiaries and any directors, officers, employees, agents or contractors of such persons or entities (collectively, "Landlord Parties") as additional insureds, (iii) contain an express waiver and release of any right of subrogation by the insurance company against Landlord and Landlord's parties, (iv) contain a provision that it shall not be canceled and that it shall continue in full force and effect, unless Landlord has received at least thirty (30) days prior written notice of such cancellation or termination, (v) not be materially changed without at least thirty (30) days prior written notice to Landlord, and (vi) shall be primary and noncontributory, and any insurance carried by Landlord shall be excess. All insurance required to be carried by Tenant hereunder shall be issued by responsible insurance companies licensed to do business in the state in which the Premises are located and acceptable to Landlord and the holder of any mortgage or deed of trust secured by any portion of the Premises (hereinafter referred to as a "Mortgagee").

Tenant shall not permit to be done any act which will invalidate or be in conflict with Landlord's insurance policies covering the Shopping Center or any other insurance referred to in this Lease. Tenant will promptly comply with all rules and regulations relating to such policies. If the acts of Tenant or its employees or agents shall increase the rate of insurance referred to in this Lease, such increases shall be promptly paid by Tenant as Additional Rent.

#### **10.6 Waiver of Subrogation.**

**LANDLORD AND TENANT EACH HEREBY RELEASE AND WAIVE ALL CLAIMS AND RIGHTS (INCLUDING ANY CLAIM OR RIGHT OF SUBROGATION BY ANYONE CLAIMING BY, THROUGH OR UNDER THE RELEASING PARTY) EACH MAY HAVE AGAINST THE OTHER, ITS OFFICERS, DIRECTORS, MEMBERS, MANAGERS, EMPLOYEES AND AGENTS FROM ANY AND ALL LIABILITY OR RESPONSIBILITY FOR ANY LOSS OR DAMAGE TO PROPERTY COVERED, OR REQUIRED TO BE COVERED UNDER THIS LEASE, IN WHOLE OR PART, BY INSURANCE OF A PARTY, EVEN IF SUCH LOSS OR DAMAGE SHALL HAVE BEEN CAUSED BY THE NEGLIGENCE OF THE OTHER PARTY, OR ANYONE FOR WHOM SUCH PARTY MAY BE RESPONSIBLE. Each party agrees to cause**

each insurance policy obtained by it to provide that the insurance company releases and waives all rights of recovery by way of subrogation, against either party (and their respective officers, directors, members, managers, employees, and agents) in connection with any loss or damage to property covered by such policy. All insurance policies to be provided under this Article 10 by either Landlord or Tenant shall contain a provision that they are not invalidated by the foregoing waiver.

**10.4 Indemnification.**

Subject to the provisions of Article 10.3, Tenant hereby agrees to indemnify, defend and hold Landlord harmless from and against any and all claims, demands, liabilities, losses, damages, and expenses, including reasonable attorney fees, arising from the negligence or willful misconduct of Tenant or its agents, employees or contractors in or about the Premises and/or Shopping Center, or arising from Tenant's occupancy or use of same.

Landlord shall not be responsible or liable at any time for any defects, latent or otherwise, in any buildings or improvements in the Shopping Center or any of the equipment, machinery, utilities, appliances or apparatus therein, nor shall Landlord be responsible or liable at any time for loss of life, injury or damage to any person or to any property or business of Tenant, or those claiming by, through or under Tenant, caused by or resulting from the bursting, breaking, leaking, running, seeping, overflowing or backing up of water, steam, gas, sewage, snow or ice in any part of the Shopping Center or caused by or resulting from acts of God or the elements, or resulting from any defect or negligence in the occupancy, construction, operation or use of any buildings or improvements in the Shopping Center, including the Premises, or any of the equipment, fixtures, machinery, appliances or apparatus therein.

**ARTICLE 11 USE; QUIET ENJOYMENT**

**11.1 Permitted Use.**

The Premises shall be used solely for the Permitted Use set forth in Section 1.10 and for no other purpose whatsoever. Tenant shall not use or permit upon the Premises anything that will invalidate any policy of insurance now or hereafter carried on the Shopping Center or that will increase the rate of insurance on the Shopping Center. Tenant shall not do anything or permit anything to be done upon the Premises which in any way may tend to create a nuisance, disturb any other tenants in the Shopping Center or the occupants of any neighboring property. Notwithstanding any provision in this Lease to the contrary, Tenant shall comply with all governmental health and safety requirements and regulations respecting the Premises, and shall not conduct or permit to be conducted in the Premises any business which is in violation of any applicable law, statute, regulation, rule or ordinance. This Lease shall be subject to the title exceptions identified on Exhibit D (the "Title Exceptions").

**11.4 Use Restrictions.**

Tenant, for itself, its employees, agents, servants, clients, customers, invitees, licensees, and guests, agrees to observe and comply at all times with the following provisions as herein set forth.

**11.4.1 Loading and Unloading of Goods.**

All loading and unloading of goods shall be done only at such times, in the areas and through: (a) the entrances indicated on the floor plans for such purposes, if any; (b) if no entrances are so specified, at such entrances as will not disturb other tenants, their employees and invitees; or (c) as mutually agreed by the parties hereto in writing. Loading and unloading operations shall be conducted so as not to obstruct or hinder the operation of the businesses of the other tenants in the Shopping Center, nor will Tenant unreasonably block or obstruct any street, sidewalk, or right-of-way adjacent to or comprising part of the Shopping Center.

**11.4.2 Refuse Disposal.**

Unless otherwise specified by Landlord, all refuse shall be prepared for collection by placing same in sealed plastic bags and depositing such bags at the collection site reasonably designated by Landlord, from which site Tenant shall arrange for removal.

**11.4.3 External Audio.**

No loudspeakers, television sets, radios, strobes, flashing lights or other devices shall be used in a manner as to be heard or seen outside the Premises.

**11.4.4 Living Space.**

No person shall use the Premises as sleeping quarters, sleeping apartments, or lodging rooms.

**11.4.5 Tenant's Permits / Licenses.**

Tenant shall obtain and keep in force and effect all permits or licenses necessary or required to conduct its business.

**11.4.6 Alcoholic Liquors.**

Tenant shall not at any time manufacture, sell, use, or give away, and shall not at any time permit the manufacture, sale, use or distribution of any intoxicating or alcoholic liquors on the Premises.

**11.4.7 Live Animals.**

No live animals other than fish in an aquarium, and "assistant" dogs, shall be kept or displayed upon the Premises.

**11.4.8 Employee Parking.**

Tenant and its employees shall park their motor vehicles in such areas as Landlord shall designate from time to time as employee parking area. Upon request of the Landlord, Tenant will furnish to Landlord the license numbers of any automobiles belonging to Tenant and its employees and in the event any such vehicles shall be parked in areas other than those designated for employee parking, the Tenant shall pay to Landlord forthwith on demand an amount equal to \$10.00 per day of each day that such vehicles shall be parked in such non-designated areas.

**11.4.9 Exterior Sales.**

Tenant shall not conduct any outdoor selling or display activities.

**11.4.10 Access.**

Tenant shall not obstruct in any manner access, ingress or egress to any portion of the Shopping Center, or to any public or private road abutting the Shopping Center.

**11.4.11 Title Exceptions.**

The Premises shall not be used in violation of any of the Title Exceptions as referenced on Exhibit D.

**11.4.12 Video Gaming.**

Tenant shall not permit any video gaming machines or any other form of gambling device to be operated within the Premises.

**11.4.13 Wi-Fi**

Tenant shall not employ a wireless fidelity network or any technological evolution thereof ("Wi-Fi") in the Premises without Landlord's prior written consent. In the

event consent is granted, Tenant shall not employ Wi-Fi in a manner which: (a) interferes with the technology of other tenants; (b) extends beyond the walls of the Premises; (c) permits other Tenants to use the service.

### **11.5 Quiet Enjoyment.**

The Landlord agrees that the Tenant upon payment of the Rent hereunder and all other payments and charges to be paid by the Tenant under the terms of this Lease and upon observing and keeping the conditions and covenants of this Lease on the part of the Tenant to be observed and kept, shall lawfully and quietly hold, occupy and enjoy the Premises during the Term of this Lease free from any hindrance by Landlord, subject to the provisions of this Lease.

## **ARTICLE 12 UTILITIES**

Commencing on the Commencement Date and continuing during the entire Term, Tenant, at its expense, shall arrange for and pay all costs of the charges for all utilities and services provided or used in or at the Premises. Tenant shall pay directly to the public utility companies the cost of any installation not included in Landlord's Work of any and all such utility services. If Landlord supplies or pays for any such utilities, then as Additional Rent, Tenant shall reimburse Landlord for the same. If, for any reason whatsoever, any particular utility is not separately metered, then, and in that event, Tenant shall be responsible for its share based upon the formula that Landlord, in its reasonable discretion, deems appropriate. Tenant agrees to indemnify and hold harmless Landlord from and against any and all claims arising from the installation and maintenance of such utility services and from all costs and charges for utilities consumed on or by the Premises. Landlord shall not be liable to Tenant for damages or otherwise (i) if any utilities shall become unavailable from any public utility company, public authority or any other person or entity supplying or distributing such utility, or (ii) for any interruption in any utility service (including, but without limitation, any heating, ventilation or air conditioning) caused by the making of any necessary repairs or improvements or by any cause beyond Landlord's reasonable control, and the same shall not constitute a default, termination or an eviction. Tenant agrees to cooperate fully, at all times, with Landlord in abiding by all reasonable regulations and requirements which Landlord may prescribe for the proper functioning and protection of all utilities and services reasonably necessary for the operation of the Premises and the Shopping Center.

## **ARTICLE 13 MAINTENANCE AND REPAIRS; RIGHTS TO ENTER**

### **13.1 Tenant's Duty.**

Tenant shall, at its sole cost and expense, keep in good order, condition and repair the Premises, and make all repairs and replacements thereof, including without limitation, all plumbing and sewage facilities within or serving the Premises, including free flow up to the common sewer line; all heating, air conditioning, ventilation, refrigeration, fire protection, sprinkler, mechanical, electrical and lighting systems, facilities, equipment and/or units within or serving the Premises; all fixtures, ceilings, doors, windows, plate glass, store fronts, skylights, interior walls and interior surfaces of exterior walls; any repairs required due to illegal entry or burglary of the Premises; and all of Tenant's improvements to the exterior of the Premises (including all signs and dryvit areas). Tenant shall maintain in force a maintenance contract requiring at least quarterly maintenance by a company of recognized standing covering the heating, ventilating and air conditioning system serving the Premises. Tenant shall operate heating and cooling equipment to maintain such temperatures as will prevent the freezing or bursting of pipes within the Premises. Tenant shall promptly, and at its sole cost and expense, repair all damage to the Premises and/or Shopping Center caused by the intentional act, gross negligence, or negligence of Tenant, its agents, servants, employees, guests and invitees. Tenant shall, at Tenant's cost, be responsible for janitorial services at the Premises and for regular trash and refuse removal in connection with Tenant's use and occupancy of the Premises in compliance with all applicable laws and regulations. Tenant shall coordinate with any other tenant of the Shopping Center with whom Tenant shares a designated refuse bin to allocate the responsibility for and cost of: refuse removal and refuse bin pad/bin enclosure maintenance and repair.

**13.4 Landlord's Right to Enter.**

If Tenant does not act promptly as aforesaid, Landlord may, subject to prior notice to Tenant in situations other than emergencies, but shall not be required to, enter the Premises at all reasonable times to make any repairs, alterations, improvements, or additions, as Landlord shall desire or deem necessary for the safety, preservation, or improvement of the Premises, or as Landlord may be required to do by any governmental authority or by the order or decree of any court or by any other proper authority. In the event Landlord or its agents or independent contractors shall elect or be required to make repairs, alterations, improvements, or additions to the Premises, Landlord shall be allowed to take into and upon the Premises, all material that may be required to make such repairs, alterations, improvements, or additions and during the continuance of any of said work, to temporarily close doors, entry ways, public space, and corridors in the Premises and/or Shopping Center and to interrupt or temporarily suspend any services and facilities without being deemed or held guilty of an eviction of Tenant or for damages to any of Tenant's property, business, or person, and the Rent reserved herein shall in no way abate while said repairs, alterations, improvements, or additions are being made. Landlord shall minimize its obstruction of Tenant's business to the extent reasonably practical under the circumstances. Landlord may, at its option, make all such repairs, alterations, improvements, or additions in and about the Premises and/or Shopping Center during ordinary business hours, but if Tenant desires to have the same done at any other time, and the same can be practicably done at any other time, Tenant shall then pay all overtime and additional expenses resulting therefrom. No notice need be provided in the event of an emergency. Landlord will pay for or repair any damage to the Premises caused by any voluntary entry it makes, excluding those precipitated by emergency or Tenant's failure to act. Any amount paid by Landlord for maintenance repairs or replacements which are the obligation of Tenant shall be due immediately as Additional Rent.

Landlord reserves the right at all reasonable times during the term of this Lease for Landlord or Landlord's agents to enter the Premises for the purpose of inspecting and examining the same, and to make such repairs, alterations, improvements, or additions as Landlord may deem necessary or desirable. If Tenant shall not be personally present to open and permit an entry into said Premises, at any time, when for any reason an entry therein shall be necessary or permissible, Landlord or Landlord's agents may enter the same by master key, or may forcibly enter the same, without rendering Landlord or such agents liable therefor, and without in any manner affecting the obligations and covenants of this Lease. Nothing herein contained, however, shall be deemed or construed to impose upon Landlord any obligation, responsibility, or liability whatsoever for the care, maintenance, or repair of the building or any part thereof, except as otherwise herein specifically provided.

**13.5 Structural Repairs.**

Landlord shall, at its expense, repair, reconstruct, or replace all structural damage or structural defects in the exterior or bearing walls, roof, roof drainage system and floor slab of the Premises excluding any structural damage caused by the intentional act, gross negligence, or negligence of Tenant, its agents, servants employees, guests, and invitees which shall be, in every case, Tenant's expense payable as Additional Rent.

**ARTICLE 14 CONDEMNATION**

**14.1 All or Part of Premises.**

If all or any part of the Premises, or one-third or more of the Shopping Center's parking spaces shall be taken or condemned by any competent authority for any public use or purpose, or sold to any such authority which has the power of eminent domain and has threatened to exercise such power with respect to the Premises or Shopping Center, then, unless otherwise agreed to by the parties, the Term shall end sixty (60) days after the earlier of either: (a) the date of any court order or agreement approving such taking or condemnation; (b) the date Landlord receives Tenant's advance written notice that it intends to terminate possession of the Premises, provided Tenant vacates the

Premises within such sixty (60) day period; or (c) the date such authority takes possession of the portion of the Shopping Center so condemned or sold. Landlord shall be entitled to any and all condemnation awards or judgments and Tenant hereby assigns such award or judgment to Landlord (except to extent such award or judgment specifically provides for payment thereof to Tenant for its relocation costs and Tenant improvements paid).

**14.4 Rent Apportioned.**

Rent shall, in all cases, be apportioned and paid as of the date of any of the above such terminations.

**14.5 Partial Taking Without Termination.**

In the event any portion of the Premises is taken and this Lease is not terminated in accordance with the provisions of this Article 14, all future Base Rent to become due under this Lease shall be reduced in proportion to the area of the Premises taken. Landlord, to the extent of the condemnation award or judgment, shall make any structural repairs or restoration necessary to make a complete architectural unit of the remainder of the Premises.

**ARTICLE 15      DEFAULT AND LANDLORD REMEDIES**

**15.1 Tenant Default.**

The occurrence of any one or more of the following events shall be a "Default": (i) if Tenant fails to pay Base Rent, Additional Rent or any other sums required to be paid by Tenant when the same shall become due and payable, and such failure shall continue for five days; (ii) if Tenant fails to perform or observe any terms and conditions of this Lease (other than those described in (i) above), and such failure shall continue for thirty days after written notice from Landlord; (iii) if any interest of Tenant in this Lease shall be levied upon under execution or other process, or if any petition for bankruptcy, reorganization, insolvency, or liquidation or similar law for the relief of debtors, are instituted by Tenant or against Tenant and are allowed or consented to by it or not dismissed within sixty (60) days; (iv) if Tenant or any guarantor of Tenant's obligations under this Lease dies (if an individual) or dissolves (if any entity); or (v) if Tenant or any guarantor of Tenant's obligations under this Lease becomes insolvent or admits in writing its inability to pay its debts, or if any assignment of Tenant's property shall be made for the benefit of creditors, or if a receiver or trustee is appointed for Tenant or its property. An anticipatory breach or repudiation by Tenant of any of the covenants or provisions of this Lease shall be deemed a Default.

**15.6 Remedies.**

If a Default occurs, Landlord shall have all of the rights and remedies herein set forth, which shall be distinct, separate, and cumulative, and which shall be in addition to all rights and remedies provided at law or in equity:

- (vi) Landlord may terminate this Lease by giving five days written notice of such termination to Tenant, whereupon this Lease shall terminate and Tenant shall immediately surrender possession of the Premises to Landlord. In the event of any such termination of this Lease by Landlord, Tenant shall be liable for, and Landlord shall be entitled to recover from Tenant, all damages sustained by Landlord arising from or out of such Default, including, without limitation, the recovery of all Rents through the period that would have otherwise constituted the balance of the Term of this Lease as if this Lease had not been terminated,
- (vii) Landlord may terminate Tenant's right to possession of the Premises without terminating this Lease by giving five days written notice of such termination to Tenant, whereupon Tenant shall immediately surrender possession of the Premises to Landlord. In the event of any such termination of Tenant's right to possession of the Premises, Tenant shall be liable for, and Landlord shall be entitled to recover from Tenant, all damages sustained by Landlord arising from or out of such Default, including, without limitation, the recovery of all Rents through the end of the Term of this Lease;

- (viii) Landlord may pursue damages arising from or related to such Default without terminating this Lease or Tenant's right to possession of the Premises;
- (ix) Landlord may cure such Default on behalf of Tenant, and Tenant shall pay Landlord all costs and expenses incurred by Landlord in connection therewith upon demand;
- (x) Landlord may pursue specific performance or injunctive relief and any requirement that Landlord post any bond is waived.

Any damages sustained by Landlord arising from or related to any Default may be recovered by Landlord in one or more separate actions or proceedings, which may be brought by Landlord from time to time, without prejudice to any other right or remedy available to Landlord under this Lease or by law or equity.

In the event Landlord terminates this Lease or Tenant's right to possession of the Premises as provided above, Landlord shall also have the following rights: (i) Landlord shall have the right to enter into the Premises with or without process of law, and to repossess Landlord of the Premises, and to expel or remove Tenant and, at Tenant's expense, any and all property therefrom, using such force as may be necessary, without being deemed in any manner guilty of trespass, eviction, forcible entry or detainer, or conversion of property, and without relinquishing Landlord's right to recover all damages arising from or out of such Default, or any other rights or remedies afforded Landlord under this Lease or by law or equity; and all without releasing Tenant, in whole or part, from Tenant's obligations to pay all Rents and perform all other obligations under this Lease for the full Term of the Lease, and (ii) Landlord shall have the option to relet the Premises for such rent and upon such terms as are not unreasonable under the circumstances, and Tenant shall be liable for all damages sustained by Landlord in reletting or attempting to relet the Premises, including, without limitation, attorneys' fees, brokerage fees and the costs and expenses of placing the Premises in first class rentable condition, and the costs of making such alterations, repairs or replacements in and to the Premises as Landlord, in its sole judgment, considers advisable and necessary for the purpose of reletting the Premises, and the making of such alterations, repairs or replacements shall not operate or be construed to release Tenant from any liabilities under this Lease. Landlord shall in no event be liable in any way whatsoever for failure to relet the Premises, or in the event that the Premises are relet, for failure to collect the rent under such reletting. If the consideration collected by Landlord upon any such reletting, after payment of the all damages sustained by Landlord in reletting or attempting to relet the Premises, is insufficient to pay monthly the full amount of Rent, Tenant shall pay to Landlord the amount of each monthly deficiency as it becomes due. Any excess or residue shall operate only as an off-setting credit to future Rent payable hereunder, but the use of such off-setting credit to reduce the amount of Rent due Landlord, if any, shall not be deemed to give Tenant any right, title, or interest in or to such excess or residue and any such excess or residue shall belong solely to Landlord. Landlord shall neither be required to offer the Premises for lease in preference to other space available from it or its affiliates, nor required, in the exercise of its reasonable judgment, to accept any tenant offered by the Tenant or to observe any instructions given by Tenant relative to such reletting. For the purpose of determining Percentage Rent (if required to be paid under this Lease) in the event of a Default, Percentage Rent for any period shall be the greater of: (a) the pro rata share of actual Percentage Rent for the applicable full Lease Year; or (b) the pro rata share of the Percentage Rent payable for the preceding full Lease Year.

#### **15.7 Bankruptcy.**

If Tenant shall be adjudged bankrupt, or any trustee in bankruptcy shall be appointed for Tenant and not dismissed within the period provided herein above, Landlord and Tenant hereby agree, to the extent permitted by law, to request that a trustee in bankruptcy (or debtor in possession, as the case may be) determine within sixty (60) days thereafter whether to accept or reject this Lease, and Tenant hereby agrees not to seek or request any extension or continuation of such time in any

bankruptcy proceeding to assume or reject this Lease. In no event after the assumption of this Lease, shall any then existing Default remain uncured for a period in excess of the earlier of ten (10) days or the time period for curing such Default as set forth herein. Failure to cure such Default within such time shall constitute a Default hereunder. Landlord and Tenant agree that adequate assurance of performance of this Lease, as set forth in Section 365 (b)(i) of the Bankruptcy Code with respect to monetary Default under this Lease shall be in the form of cash or immediately available funds in an amount equal to at least the amount of such monetary Default so as to assure Landlord that it will realize the amount of such Default. If Tenant assumes this Lease and proposes to assign this Lease pursuant to the provisions of the Bankruptcy Code to any person or entity who shall have made a bona fide offer to accept an assignment of this Lease, the notice of such proposed assignment, setting forth (1) The name and address of such person or entity; (2) All of the terms and conditions of such offer; and (3) The adequate assurance to be provided Landlord to assure such person's or entity's future performance under this Lease, shall be given to Landlord by Tenant within twenty (20) calendar days after receipt of such offer by Tenant, and in no event later than ten (10) calendar days prior to the date the Tenant shall make such application to the Bankruptcy Court for authority and approval to enter into such assumption and assignment. In addition, Landlord shall thereby have a right of first refusal to be exercised by notice to Tenant given within ten (10) days prior to the effective date of such proposed assignment, to accept an assignment of this Lease upon the same terms and conditions and for the same consideration, if any, as the bona fide offer made by such a person or entity, less any broker's commissions which may be payable out of any consideration to be paid by such person or entity for the assignment of this Lease.

All money or other consideration payable by Tenant or otherwise to be delivered to or on behalf of Landlord under this Lease, whether or not expressly denominated as rent hereunder, shall constitute rent for purposes of Section 502(b)(vi) of the Bankruptcy Code and shall be the sole property of the Landlord.

**15.8 Landlord Default.**

Landlord shall in no event be charged with any default under this Lease unless Landlord shall fail to perform or observe any term, condition, covenant or obligation required to be performed or observed by Landlord under this Lease for a period of thirty (30) days after written notice thereof from Tenant; provided, however, that if the term, condition, covenant or obligation to be performed by Landlord is of such nature that more than thirty (30) days are reasonably required for performance then Landlord shall not be in default if Landlord commences performance within such thirty (30) day period and diligently prosecutes the same to completion.

**15.9 Waiver of Damages and Limitation of Recourse.**

**NOTWITHSTANDING ANY PROVISION IN THIS LEASE TO THE CONTRARY, TENANT AGREES THAT LANDLORD SHALL NOT BE LIABLE TO TENANT FOR ANY INDIRECT, CONSEQUENTIAL, INCIDENTAL OR PUNITIVE DAMAGES OR ANY DAMAGES FOR LOST PROFITS AND/OR LOST BUSINESS OPPORTUNITY, REGARDLESS OF THE FORM OF THE ACTION OR THE THEORY OF RECOVERY, EVEN IF LANDLORD HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.** Notwithstanding any provision in this Lease to the contrary, any liability of Landlord under this Lease, or any amendments or modifications thereto, shall be limited to the then owner's equity in the Premises, and no personal liability shall be asserted against Landlord, its partners, managers, officers, directors, shareholders, beneficiaries, members, employees, or agents, or any successors or assigns, in connection with this Lease nor shall any recourse be had to any other assets of

Landlord or any assets of the partners, managers, officers, directors, shareholders, beneficiaries, members, employees, or agents of Landlord.

## ARTICLE 16 SURRENDER OF POSSESSION

### 16.1 Tenant's Duty.

On or before the date this Lease and the Term hereby created terminates, or on or before the date Tenant's right of possession terminates, whether by lapse of time or at the option of Landlord (if Landlord has a right to terminate possession), Tenant shall at its sole cost and expense perform the following acts as herein set forth:

#### 16.2.3 Removal of Trade Fixtures.

Remove from the Premises all of Tenant's trade fixtures and personal property (hereinafter "Personal Property").

#### 16.2.4 Surrender of Possession.

Surrender possession of the Premises to Landlord, in the same condition as existed on the Commencement Date as modified by approved alterations and other modifications pursuant to Article 6, ordinary wear and tear and damage required to be repaired by Landlord due to a casualty excepted.

### 16.3 Landlord's Rights.

If Tenant shall fail or refuse to comply with Tenant's duty to remove all trade fixtures and Personal Property from the Premises on or before the expiration of its right to possession of the Premises whether by expiration of the Term or otherwise, the parties hereto agree and stipulate that Landlord may, at its election after twenty (20) calendar days' prior written notice to Tenant and Landlord's statement of its intention, pursue either of the following remedies as herein set forth.

#### 16.3.1 Transfer of Title to Tenant's Trade Fixtures.

Treat such failure or refusal as an offer by Tenant to transfer title to such Personal Property to Landlord, in which event title thereto shall thereupon pass under this Lease as a bill of sale to and vest in Landlord absolutely without any cost either by set-off, credit allowance or otherwise, and Landlord may remove, sell, donate, destroy, store, discard, or otherwise dispose of all or any part of said Personal Property in any manner that Landlord shall choose.

#### 16.3.2 Disposal of Tenant's Trade Fixtures.

Treat such failure or refusal as conclusive evidence, on which Landlord shall be entitled absolutely to rely and act, that Tenant has forever abandoned such Personal Property, and without accepting title hereto, Landlord may, at Tenant's expense, remove, store, destroy, discard, or otherwise dispose of all or any part thereof in any manner that Landlord shall choose without incurring liability to Tenant or to any other person. In no event shall Landlord ever become or accept or be charged with the duties of a bailee (either voluntary or involuntary) of any such Personal Property, and the failure of Tenant to remove all such Personal Property from the Premises shall forever bar Tenant from bringing any action or from asserting any liability against Landlord with respect to any such Personal Property which Tenant fails to remove.

## ARTICLE 17 HOLDING OVER

If Tenant retains possession of all or part of the Premises after termination or expiration of this Lease, such occupancy shall be deemed to be a month-to-month tenancy, subject to all provisions of this Lease that can reasonable be applied to a month-to-month tenancy, except that Base Rent shall be double the amount that

was last in effect immediately preceding such holdover. Either party may terminate such month-to-month tenancy upon delivery of at least thirty days advance written notice of termination to the other party.

## ARTICLE 18 NON-DISTURBANCE AND ATTORNMENT

### 18.1 Non-disturbance.

So long as Tenant is not in default in the payment of Rent or in the performance of any term of the Lease, then, subject to this Article 18, Tenant's possession of the Premises and its rights and privileges under the Lease shall not be diminished or interfered with by a mortgagee.

### 18.6 Attornment.

If a mortgage is foreclosed for any reason, and a mortgagee succeeds to Landlord's interest under the Lease, Tenant shall be bound to the mortgagee under all of the terms of the Lease for the balance of the remaining Term with the same force and effect as if mortgagee were the landlord under the Lease. Upon presentation of reasonable evidence that title has changed, Tenant hereby attorns to mortgagee as its landlord, such attornment to be effective and self-operative, without the execution of any further instrument by either party, as soon as mortgagee succeeds to the Landlord's interest under the Lease. Notwithstanding any contrary provision herein, Tenant shall not be required to pay rent to the mortgagee until Tenant receives written notice from mortgagee that it has succeeded to Landlord's interest under the Lease. The respective rights and obligations of Tenant and mortgagee upon such attornment shall, to the extent of the then remaining balance of the Lease Term, be the same as now set forth therein.

### 18.7 Mortgagee's Obligations.

If a mortgage is foreclosed for any reason and a mortgagee succeeds to the Landlord's interest under the Lease, such mortgagee shall be bound to the Tenant under all of the terms of the Lease, and Tenant shall, from time and after such event, have the same remedies against mortgagee for the breach of the Lease that Tenant might have had under the lease against the prior landlord thereunder. In no event shall mortgagee be liable for any act or omission of any prior landlord, be subject to any offsets or defenses which Tenant might have against any prior landlord, be bound by any amendment of this Lease made without the mortgagee's consent, or be bound by any rent which Tenant might have paid to any prior landlord for more than the current month.

### 18.8 Binding Effect.

The rights and obligations hereunder of Tenant and mortgagee shall bind and inure to the benefit of their respective successors and assigns.

### 18.9 Subordination.

Upon request of Landlord, Tenant shall subordinate its rights hereunder to the lien of any mortgage or mortgages, or the lien resulting from any other method of financing or refinancing now or hereafter in force against the real estate and/or buildings of which the Premises are a part of or against any building any buildings hereafter placed upon said real estate of which the Premises are a part.

## ARTICLE 19 ESTOPPEL

Tenant agrees that from time to time within thirty days of Landlord's request, Tenant will deliver to Landlord a statement in writing certifying: (a) that this Lease is unmodified and in full force and effect (or, if there have been modifications, that this Lease as modified is in full force and effect); (b) the date to which the Rent and other charges have been paid; (c) that Landlord is not in default under any provision of this Lease, or, if in default, the nature thereof in detail, and (d) such other information as may be requested by Landlord. Tenant agrees to execute and deliver to Landlord with thirty days of Landlord's request therefore any subordination, non-disturbance, and attornment agreement in favor of any mortgagee in such form as is required by such mortgagee.

## **ARTICLE 20 COMPLIANCE WITH LAWS**

Tenant shall, at its sole cost and expense, promptly comply with, and make all changes, alterations or improvements required by, all present and future laws, statutes, codes, ordinances, regulations, acts, rules, requirements, orders, and directions, concerning or relating to the Premises or any part thereof, or the use thereof, or any operations therein, or relating to all changes, alterations, or improvements made by or on behalf of Tenant, and Tenant shall hold Landlord harmless from any and all costs or expenses on account thereof.

## **ARTICLE 21 HAZARDOUS SUBSTANCES**

Notwithstanding any provision contained in this Lease to the contrary, Tenant shall not cause or permit any Hazardous Substances to be introduced, stored or used at, in, on, under or about the Premises and/or Shopping Center, except de minimis amounts of Hazardous Substances (such as cleaning materials) used in the ordinary course of Tenant's business and in accordance with all applicable environmental laws. Tenant, at Tenant's sole cost and expense, shall promptly remediate all or any portion of the Premises and/or Shopping Center to the extent of any violation of any provision of this Article 21 or any presence, escape leakage, spillage, discharge, emission, release, installation or disposal of any Hazardous Substances and/or any violation of environmental laws caused by Tenant, or Tenant's successors, assigns or subtenants (or any employees, agents, vendors, licensees, invitees or contractors of Tenant or any of the foregoing). Tenant shall provide Landlord with copies of all notices received from any governmental authority regarding environmental matters in respect of the Premises and/or Shopping Center. Tenant hereby indemnifies, defends and holds Landlord harmless from any and all losses, liabilities, damages, injuries, costs, expenses, fines, penalties, and claims of any and every kind whatsoever (including, without limitation, court costs and attorneys' fees) which at any time or from time to time may be paid, incurred or suffered by, or asserted against Landlord for, with respect to, or as a direct or indirect result of a breach by Tenant of any of the provisions of this Article 21. "Hazardous Substances" shall mean any waste, material or substance, which is or is deemed by governmental authority to be a pollutant or a contaminant, or which is or is deemed by governmental authority to be hazardous, toxic, ignitable, reactive, corrosive, dangerous, harmful or injurious, or which presents a risk, to public health or to the environment, or which is or may become regulated by or under the authority of any applicable local, state or federal laws, judgments, ordinances, orders, rules, regulations, codes, including, without limitations: (i) petroleum, including but not limited to crude oil or any fraction thereof; (ii) any asbestos or asbestos containing material; and/or (iii) any radioactive material.

In no event shall any Medical Waste be stored (whether temporarily or permanently) or disposed of in the Common Areas or in any dumpsters located at the Shopping Center. Tenant shall obtain and maintain throughout the Term a service contract with a duly licensed medical or biohazardous waste transportation and disposal company of Tenant's choice. Tenant shall provide copies of such service contract to Landlord upon request. Landlord reserves the right to require Tenant to remove such Medical Wastes from the Premises discretely and at such times as determined by Landlord if Landlord receives any complaints from others regarding same. As used herein, "biohazardous waste" and "biomedical waste" shall include any waste that may contain human pathogens, including without limitation, discarded human blood, blood products and body fluids, waste saturated with blood, blood byproducts or body fluids, pathological waste, discarded sharps used in patient care, discarded clinical specimens or cultures and dishes or devices used in connection therewith.

Notwithstanding any provision in this Lease to the contrary, Landlord shall have the following rights as herein set forth, exercisable with notice (except as otherwise provided hereinafter) and without liability to Tenant for damage or injury to property, person, or business and without effecting an eviction, constructive or actual, or disturbance of Tenant's use or possession of the Premises or giving rise to any claim for default

set-off or abatement of rent (i) to change the Shopping Center's name or street address; (ii) to construct additional buildings in the Shopping Center or improvements in the building(s) from time-to-time and to make such alterations and/or additions thereto as Landlord may see fit, (iii) to change the sizes, locations, amounts, shapes and arrangements of parking areas and other Common Areas, including the location and relocation of driveways, entrances, exits, parking spaces, the direction and flow of traffic, installation of prohibited areas, landscaped areas and all other facilities thereof; establish and from time to time change the level or grade of parking surfaces; and do and perform such other acts in and to said areas and improvements as Landlord in its reasonable discretion deems advisable for the use thereof by tenants and their customers; (iv) to install, affix, and maintain any and all signs on the exterior of the building(s) (excluding the exterior of the Premises); (v) to show the Premises to prospective tenants at reasonable hours, after notice to Tenant, and to place "for rent" signs, during the last twelve (12) months of the Term, as well as to post at any time "for sale" signs with respect to the Shopping Center without notice to, or approval by, the Tenant; (vi) to approve the weight, size, and location of safes and other heavy equipment and bulky articles in and about the Premises, and to require all such items, including furniture and other similar items, to be moved into or out of the Premises and Shopping Center only at such times and in such manner as Landlord shall direct in writing; (vii) to install, maintain and operate an automatic teller terminal or similar facility on any portion of the Common Areas; and/or (viii) to remove from the definition of "Shopping Center" one or more outlots or other portions of the Shopping Center. Any damages done to the Premises or Shopping Center by taking in or putting out safes, furniture, or other articles, or from overloading the floor in any way, shall be paid by Tenant. Furniture, boxes, merchandise, or other bulky articles shall be transported only upon or by vehicles equipped with rubber tires. Movements of Tenant's property into or out of the Premises and Shopping Center shall be entirely at the risk and responsibility of Tenant and under the control of Landlord. Landlord may enter upon the Premises and may exercise any or all of the foregoing rights hereby reserved without being deemed guilty of an eviction or disturbance of Tenant's use or possession and without being liable in any manner to Tenant.

#### **ARTICLE 23 RULES AND REGULATIONS**

Tenant agrees to observe such rules and reasonable regulations as Landlord, in its continuous or recurring discretion, may from time to time make for the Shopping Center. Any failure by Tenant, its employees, agents, servants, clients, customers, invitees, licensees, and/or guests, to observe and comply with all such reservations, rules, and regulations shall constitute a default under this Lease, subject to the notice and cure provisions of this Lease otherwise applicable to such defaults.

#### **ARTICLE 24 ASSIGNMENT AND SUBLETTING**

Tenant may not assign or encumber its interest in this Lease or in the Premises, or sublease all or any part of the Premises, or allow any other person or entity (except Tenant's authorized representatives) to occupy or use all or any part the Premises, without first obtaining Landlord's prior written consent which shall not be unreasonably withheld or delayed. Any assignment or sublease without Landlord's required prior written consent shall be voidable and, at Landlord's election, shall constitute a Default. Notwithstanding any provision of this Lease to the contrary, Tenant shall not be released from any obligations under this Lease and Tenant remain primarily liable for all obligations and Rent in the event of assignment or sublease. In the event that the Premises are sublet, said sublease shall contain a provision that states that any rent received by Tenant, in excess of the Rent due under the Lease, shall also be due the Landlord as Additional Rent. In no event shall any assignment or sublease permit any violation of the terms of this Lease, nor grant any greater rights than afforded Tenant under this Lease.

#### **ARTICLE 25 NOTICE**

No notices or other communications given under this Lease shall be effective unless the same is in writing and delivered personally or sent by registered or certified U.S. mail, return receipt requested, first class, postage prepaid, or sent by recognized overnight courier and addressed to the respective party at the respective address set forth in Section 1.1 or 1.2 or to such other address as a party shall designate by giving notice to the other party in accordance with this Section. ## ARTICLE 28 SIGNAGE

Tenant may install a single wall sign on the external front wall of the Premises at Tenant's sole cost. The exact size, color, design, and placement of such sign shall be subject to Landlord's prior written approval, however, under no circumstances may Tenant's exterior building signage exceed the maximum amount permitted under code without variance and/or limit the square footage available to other tenants. Upon vacating the Premises, the Tenant shall restore the external wall of the Premises to its original condition, at Tenant's cost. Except as provided in this Article 28, no other signs shall be installed or maintained at, on, or about the Premises.

### 28.3 Signs.

Except for customary stickers for credit card acceptance or security that are professionally prepared, Tenant shall not place on any exterior door or window of the Premises any signs or advertising matter.

### 28.3 Exterior Pylon Sign.

Tenant, at Tenant's sole cost and expense, shall be entitled to install one sign panel (a "Panel") identifying the name of Tenant's business on each side of the existing pylon sign ("Pylon") serving the Shopping Center of a size and in a position as determined by Landlord. Tenant shall submit such signage to Landlord for Landlord's review and approval. Tenant shall reimburse Landlord for Tenant's pro rata share of the reasonable costs and expenses incurred in constructing (including the cost to extend electrical service thereto), maintaining, repairing, insuring, replacing, and operating the Pylon, except that the full cost of repair or replacement of Tenant's Panels shall be borne by Tenant. For purposes of this Section 28.3, Tenant's pro rata share shall equal a fraction, the numerator of which is the square footage of Tenant's Panels, and the denominator of which is the square footage of all tenant panels on the Pylon. Tenant acknowledges that it is responsible for the fabrication and installation of Tenant's Panels, and Tenant, at Tenant's sole cost and expense, shall use the contractor designated by Landlord for this purpose.

The undersigned guarantor(s) further covenant and agree that this Guaranty shall remain and continue in full force and effect as to any renewal(s), modification(s) (including, without limitation, the alteration, enlargement or change of the premises described in the Lease), extension(s) or option term(s) of the Lease (including, without limitation, the alteration, enlargement or change of the premises described in the Lease), extension(s), or option term(s). ## **Appendix 1 & Appendix 2**

**Appendix 1- Physician Referral Letter**

Attached as Appendix 1 is the Medical Director, Dr. Talal Mahmood, projecting 70 pre-ESRD patients will initiate dialysis within 12 to 24 months of project completion.

Ms. Courtney Avery  
Administrator  
Illinois Health Facilities & Services Review Board  
525 W. Jefferson St., 2<sup>nd</sup> Floor  
Springfield, IL 62761

Dear Ms. Avery,

I am pleased to support Dialysis Care Center Rockford. The proposed 12-station chronic renal dialysis facility, to be located at 657 Highgrove Place, Rockford, IL, 61108

Dialysis Care Center Rockford facility will improve access to necessary dialysis services in the Rockford community.

My partner and I have witnessed extreme growth of both population and of ESRD patients in this area. We have many pre-ESRD patients in my practice that I anticipate referring to the Dialysis Care Center Rockford. This facility will better serve the growing number of dialysis patients in my practice.

We currently have 94 CKD 4 pre-ESRD patients in my practice, this does not include any patients that are CKD 3, the list is provided for those patients as well but have not been accounted for in any calculation purposes. Of these, I expect approximately 25% to expire, regain function, move out of the area or choose home dialysis before dialysis therapy is started. I expect then that approximately 70 of these patients would be referred to Dialysis Care Center Rockford facility for dialysis. My partners and I will continue to refer patients to the other area facilities per the patient's place of residence and choice. We are also strong supporters of home dialysis through our Rockford home therapies programs and will continue to refer those patients who are good candidates for home dialysis services.

Appendix 1

I respectfully ask you to consider the constant growth of ESRD in Rockford and Winnebago County to approve the Dialysis Care Center Rockford facility to maintain access for future dialysis patients.

Thank you for your consideration.

I attest that to the best of my knowledge, all the information contained in this letter is true and correct.

Sincerely,

Talal Mahmood
