Re: Illinois Vascular Care Center Project #17-072

Dear Mr. Constantino:

Thank you for your request for additional information for Project #17-072 Illinois Vascular Care. We have assembled and enclosed all of the information you requested.

Enclosed with this letter is an updated attachment 39 (page 111 of our application), which lists the net revenue for all years, presented in the charity care section of the application. Please use the attached document to replace the previously filed attachment 39.

Enclosed is a supplemental page for the attachment 36 of the application. The attached page list the historical financial ratios for Nephrology Associates of Northern Indiana, LTD ("NANI"), along with a copy of their 2014 audited financial statement to support the ratios. An audited financial statement for 2015 and 2016 was previously submitted.

You asked a question regarding page 61 of our application. Specifically, you requested the name of the facilities where Dr. Mohammad Rahman is referring patients. Dr. Rahman and other NANI doctors have been referring patients in need of vascular access procedures to NANI extension of practice facilities. The patients that will be served at Illinois Vascular Care Center are existing patients who are receiving care at a nearby extension of practice facility that will be closed if this project is approved by the Board.

Enclosed is updated population information (directly from United Status Census Bureau) to replace pages 54-58 of our previously submitted application. We have also enclosed an updated chart with operating and procedure rooms for facilities within 45 minutes of the general service area. The updated chart will replace page 69-71 of our previously submitted application.

Finally, you requested more information on how our charity care information was calculated. We defined charity care as the amount of care provided to patients, where no

Michael Constantino
March 23, 2018
Page 2

reimbursement was sought or received by NANI. The dollar amounts reflected in attachment 39 represent a true and accurate accounting of our charity care.

If you need any additional information, please let us know. You can contact me at 312-212-4967 or at jmorado@beneschlaw.com or my colleague, Mark J. Silberman at 312-212-4952 or at msilberman@beneschlaw.com. We thank you for the time spent reviewing our proposal.

Very truly yours,

BENESCH, FRIEDLANDER,
COPLAN & ARONOFF LLP

COMBINED FINANCIAL STATEMENTS
December 31, 2014

INDEPENDENT AUDITOR'S REPORT

The Executive Committee of
Nephrology Associates of Northern Illinois, Ltd. and
Nephrology Associates of Northern Indiana, P.C.
and Subsidiaries and Affiliates
Oak Brook, Illinois

Report on the Financial Statements

We have audited the accompanying combined financial statements of Nephrology Associates of Northern Illinois, LTD. and Nephrology Associates of Northern Indiana, P.C., and subsidiaries and affiliates, which comprise the combined balance sheet as of December 31, 2014, and the related combined statements of operations, changes in equity, and cash flows for the year then ended, and the related notes to the combined financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these combined financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of combined financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these combined financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the combined financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the combined financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the combined financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the combined financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the combined financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the combined financial statements referred to above present fairly, in all material respects, the financial position of Nephrology Associates of Northern Illinois, LTD. and Nephrology Associates of Northern Indiana, P.C., and subsidiaries and affiliates as of December 31, 2014, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 14 to the combined financial statements, errors in the prior year were discovered by management of the Company during the current year. Adjustments have been made to retained earnings as of January 1, 2014 to correct those errors. Our opinion is not modified with respect to that matter.

Other Matter

Our audit was made for the purpose of forming an opinion on the combined financial statements taken as a whole. The Nephrology Associates of Northern Illinois, LTD. and Nephrology Associates of Northern Indiana, P.C., and subsidiaries and affiliates combining balance sheet and combining statement of operations are presented for purposes of additional analysis of the combined financial statements rather than to present the financial position and results of operations of the individual entities and are not a required part of the combined financial statements. The other balance sheet, and operations joint venture informational schedules are presented for informational purposes of additional analysis and are not a required part of the combined financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the combined financial statements. The supplementary combining and other informational schedules have been subjected to the auditing procedures applied in the audit of the combined financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the combined financial statements or to the combined financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary combining and other informational schedules are fairly stated in all material respects in relation to the combined financial statements as a whole.
