RE: E-002-17 Galesburg Cottage Hospital, Galesburg, Illinois

Dear Courtney,

The Illinois Health Facilities and Services Review Board approved our request for a discontinuation of Skilled Care category of service on February 16, 2017. We discharged our final patient from the Skilled Nursing service on March 14, 2017. IDPH Health Facilities Surveillance Nurse, Corey Crouch, was onsite March 15, 2017 to walk through the closure of the service line with the Director of Nursing to confirm completion.

Please let me know if there is any additional information I can provide.

Sincerely,

James Flynn
Chief Executive Officer
