Re: E-021-17, Discontinuation Category of Service, OSF Saint Anthony's Health Center, Alton

Dear Ms. Avery:

An exemption was issued on June 15, 2017 to discontinue 5 bed Pediatric category of service. This service was discontinued on August 11, 2017.

OSF Saint Anthony Health Center looks forward to serving its pediatric patient population in the future through its general medical/surgical bed complement.

Sincerely,
