2. Identify all of the other clinical services that are to be discontinued.
3. Provide the anticipated date of discontinuation for each identified service or for the entire facility.
4. Provide the anticipated use of the physical plant and equipment after the discontinuation occurs.
5. Provide the anticipated disposition and location of all medical records pertaining to the services being discontinued, and the length of time the records will be maintained.
6. For applications involving the discontinuation of an entire facility, provide certification by an authorized representative that all questionnaires and data required by HFSRB or DPH (e.g., annual questionnaires, capital expenditures surveys, etc.) will be provided through the date of discontinuation, and that the required information will be submitted no later than 90 days following the date of discontinuation.
7. Upon a finding that an application to close a health care facility is complete, the State Board shall publish a legal notice on 3 consecutive days in a newspaper of general circulation in the area or community to be affected and afford the public an opportunity to request a hearing. If the application is for a facility located in a Metropolitan Statistical Area, an additional legal notice shall be published in a newspaper of limited circulation, if one exists, in the area in which the facility is located. If the newspaper of limited circulation is published on a daily basis, the additional legal notice shall be published on 3 consecutive days. The legal notice shall also be posted on the Health Facilities and Services Review Board's web site and sent to the State Representative and State Senator of the district in which the health care facility is located. In addition, the health care facility shall provide notice of closure to the local media that the health care facility would routinely notify about facility events.

The supporting documentation shall include a copy of the notice, the name of the local media outlet, the

date the notice was given, and the result of the notice, e.g., number of times broadcasted, written, or published. Only notice that is given to a local television station, local radio station, or local newspaper will be accepted.

The applicant shall state the reasons for the discontinuation and provide data that verifies the need for the proposed action. See criterion 1110.130(b) for examples.

IMPACT ON ACCESS

1. Document that the discontinuation of each service or of the entire facility and whether or not it will have an adverse effect upon access to care for residents of the facility's market area.

2. Document that a written request for an impact statement was received by all existing or approved health care facilities (that provide the same services as those being discontinued) located within 45 minutes travel time of the applicant facility.

APPEND DOCUMENTATION AS ATTACHMENT 10, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.
