HEALTH FACILITIES &
SERVICES REVIEW BOARD

Dear Ms. Avery

This letter is in follow up to your letter dated April 2, 2018 pertaining to the status of a proposed transaction whereby our company, NueHealth LLC and a group of select physicians would acquire Aiden Center for Day Surgery located at 1580 W. Lake Street, Addison, Illinois. Our office filed the required application and the transaction was approved by your office on July 10, 2017.

Please be advised that despite our best efforts the seller, Oak Brook Surgical Management Dr. Kinoosh Jafari, opted not to sell the facility and we have terminated all discussions. Ownership and licensure remains the property of Dr. Jafari. Other than the cost of submitting the application there were no other financial expenditures to report. As per my correspondence with Mike Constantino enclosed you will find the required processing fee.

Please contact me if there are questions. I appreciate both your time and consideration in your prompt review of the original application.

Respectfully submitted,

Michael McKevitt

Re: E-027-17 Aiden Center for Day Surgery, LLC, Addison, Illinois

Dear Mr. McKeivitt,

The Health Facilities and Services Review Board approved the change of ownership exemption application for E-027-17 on July 10, 2017. In the exemption approval letter, the exemption holders were notified of the requirement to notify the Board of the date of project completion. Pursuant to 77 Ill. Adm. Code 570(c), the report was due 90 days after the change of ownership. However, the Board's records indicate that the exemption holders did not submit the report. This letter is a request for the report.

When completing the report, please include the date of project completion as defined in 77 Ill. Adm. Code 1130.570(b)(1). If, when submitting the exemption application, the applicants provided the key terms of the transaction, you must also certify that the transaction was completed according to the key terms contained in the application. If the key terms of transaction changed, the applicants shall submit a new change of ownership application with the new key terms.

The Board's laws state that the failure to submit this reporting may result in penalties including monetary fines. Any assessed fines continue to accrue until the Board receives the report or until the Board refers the matter to its legal counsel. Thus, it is in your best interest to submit the report soon. If you have any questions, please feel free to call Mike Constantino or George Roate 217-782-3516.

Sincerely,

A handwritten signature in cursive script that reads "Courtney Avery".
