RE: Proposed Expansion of DeKalb County Rehab & Nursing Center

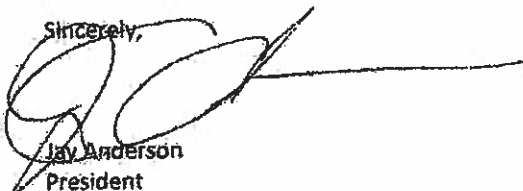

Dear Mr. Becker:

Northwestern Medicine Kishwaukee Hospital supports the expansion project which is proposed by DeKalb County Rehab & Nursing Center, and we support its approval by the Illinois Health Facilities and Services Review Board.

Between May 1 and December 31, 2017, approximately 933 patients were transferred to skilled care facilities, with approximately 215 of those patients being transferred to DeKalb County Rehab & Nursing Center. The patients transferred between May 1, 2017 and December 31, 2017 have not been used in support of any pending or approved CON applications.

If I can be of any further assistance, please do not hesitate to contact me.

Sincerely,

Jay Anderson
President
