Courtney Avery, Administrator
Illinois Health Facilities and Services Review Board
525 W. Jefferson St., Second Floor
Springfield, IL 62761

Dear Ms. Avery,

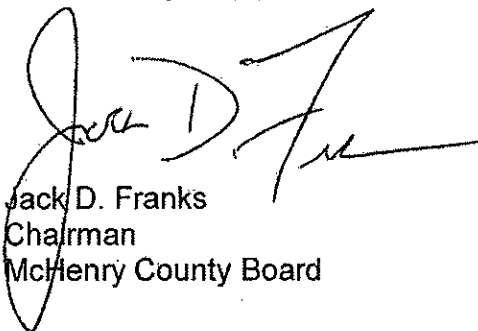

It is my understanding that TCO JV, LLC, a joint venture between the Leo Brown Development Group and Ignite Medical Resorts, propose to establish a new, 84-bed long-term care skilled nursing facility in Health Service Area 8. The project was previously approved by the Illinois Health Facilities and Service Review Board and now will be located directly across the street from Centegra Hospital—McHenry on the corners of Bull Valley Road and Ridgeview Drive, in McHenry.

We believe that this kind of facility will help fill a need for senior citizens and health care placement in our county, will improve the overall health care services provided to residents, and will create new jobs in the fields of construction, skilled nursing care, social services, administration, food services, laundry, housekeeping and maintenance.

This project will create an estimated 200 full-time construction jobs, and will eventually create more than 120 full-time health care jobs.

We endorse and ask for your approval of this worthwhile healthcare project for the residents of the City of McHenry and McHenry County.

I remain very truly yours,

Jack D. Franks
Chairman
McHenry County Board
