Re: Facility Name Change, Project #18-016, Transformative Health of McHenry

Dear Ms. Avery:

I am writing on behalf of Transformative Health of McHenry and associated corporate owner entities (the "Permit Holder") in regards to Transformative Health of McHenry, Project #18-016. This letter is being submitted pursuant to 77 Ill. Admin Code Section 1130.240(g), please accept the following as notification of our facility name change. Upon licensure by the Illinois Department of Public Health the Permit holder intends to operate the facility under the name **Ignite Medical Resort-McHenry**. To begin that process the Permit Holders recently filed an application with the Illinois Department of Public Health seeking a life safety inspection under the new name. That inspection was satisfactorily completed and the Permit Holders are now submitting an application for licensure under the new name. There will be no changes in ownership interest in the facility as a result of this name change.

If you have any questions or need any additional information regarding the project, please feel free to contact me via phone at 312-212-4967 or via email at JMorado@beneschlaw.com.

Very truly yours,

BENESCH, FRIEDLANDER,
COPLAN & ARONOFF LLP
