RE: Rush University Medical Center  
New Ambulatory Care Building  
Project # 18-023

Dear Ms. Avery:

Please accept this letter as my support for Rush University Medical Center's plans to construct an eleven-story outpatient care building in my district, at the corner of Ashland Avenue and West Harrison Street. This project is yet another example of Rush's commitment to Chicago.

Rush has recognized that more and more care can be and is being provided on an outpatient basis, and this project represents Rush's commitment to be at the forefront of outpatient care, and particularly for oncology, neurology and neurosurgical patients.

Rush has a strong reputation for quality of care, as well as service to our community. This project is in keeping with that reputation, will be welcomed by my district, and will be a true benefit to Chicago and Illinois.

Thank you for the opportunity to voice my support for this project.

Sincerely Yours,

A handwritten signature in black ink, appearing to read "Arthur Turner".

State Representative 9<sup>th</sup> District
