Dear Mr. Kniery,

Pursuant to 77 Illinois Administrative Code 1130.770, this is the notification letter on completion for Rush University Medical Center permit #18-023 (the "Permit"). The Permit for the construction of an outpatient services building in 526,950 GSF of space, and an approved project budget amount of \$473,326,372 (the "Project") was issued on October 30, 2018. A Permit Renewal for the project was submitted to extend the Permit's original completion date from November 20, 2022, to December 29, 2023. A Permit Alteration to relocate outpatient procedures and construct a 8-station Endoscopy Service in the building was also submitted. On October 24, 2022, we received approval of the Permit Renewal and Permit Alteration Request.

The Project was brought to conclusion on December 29, 2023, which is the approved extended completion date. The Project completion report supporting the final realized costs will be submitted to you on or before March 27, 2023.
