Mike,

Based upon the information we received, Buyer is waiting for the new license to be issued before they file for the change of ownership with Medicare and Medicaid. Under the Medicare rules, they must file for the change of ownership within 60 days of closing the transaction.

Please let me know if you need anything further.

Thanks

Anne

I do not. I assume they have filed applications with both agencies, but I can confirm.

Mike,

Attached is a copy of the Champaign County Nursing Home closing checklist. As discussed, this is a confidential document and should not be posted on the Board's website. From what I can tell there are only two IDPH related items: IDPH License (3.7) and Code Violations (3.8). I understand the new license application has been filed and the surveys have been cleared. Please let me know if this is sufficient or if you need something else regarding the outstanding items for the permit renewal request.

Thanks

Anne
