**Re: Notice of Project Completion and Final Realized Cost Report – Champaign
County Nursing Home
(Project No. 18-026)**

Dear Mr. Constantino:

On behalf of Champaign County Board, University Rehabilitation of C-U, LLC and University Rehab Real Estate, LLC (collectively, the "Permit Holders"), I am writing to submit the notice of project completion and final realized project cost report for Project No. 18-026. On October 30, 2018, the Illinois Health Facilities and Services Review Board approved the Permit Holders' application for a certificate of need permit for a change of ownership of Champaign County Nursing Home. The project closed on April 1, 2019 in accordance with the asset purchase agreement provided in the certificate of need application.

The Illinois Department of Public Health issued a probationary license to the new owners with an effective date of April 1, 2019.

Going forward, the nursing home will be known University Rehabilitation Center of C-U (University Rehab).

If you have any questions or need any additional information related to the Project, please feel free to contact Anne Cooper at 312-873-3606 or acooper@polsinelli.com.

Sincerely,

Darlene A. Kloeppel, MSW, MS, MCP
County Executive
Champaign County
