**Re: Morris Hospital & Healthcare Centers
Modernization and Infrastructure Renewal Project
CON Application #18-033**

Dear Ms. Avery:

As Mary K Sheehan, CEO of Joliet Area Community Hospice I strongly support approval of a CON permit for the Modernization and Infrastructure Renewal project at Morris Hospital & Healthcare Centers. This project will permit the Hospital to continue its long term commitment to providing high quality services to the residents of Grundy County and neighboring communities. It is our understanding that the project is to include:

- The modernization and expansion of the Emergency Department to provide state-of-the-art services;
- Improvements to surgical facilities, imaging and other diagnostic services to improve patient satisfaction and operational efficiencies;
- Establish of a Women's Imaging Center; and
- The upgrade of infrastructure in dated structures.

Thank you for your consideration in this matter, and we urge approval of this application.

Sincerely,

Mary K. Sheehan, RN, MSN, MBA
